VIII.—The Managers, deeming the point of admission of inmates into the Home to be a very important matter, decided that the following formalities shall regularly be observed.

1st. Applicants for admission into the Home are to state how long they have resided in the city, their residence, age, disease, and circumstances, also whether he or she has been attended by any medical man, and whether any clergyman has visited.

2nd. Thereafter two of the Managers shall visit the residence named (two ladies if the applicant be a woman, two gentlemen if the applicant be a man.) They shall look at the surroundings of the applicant, ascertain what can be practically known of the person's circumstances, habits and general character, in short, get all the available information about the case.

They shall see the clergyman and the doctor, if either have been in attendance, hear what each has to say about the applicant, and report to the Board of Managers.

3rd. That two of the medical staff of the Home shall visit each applicant for admission, and report to the Board of Managers the character of the disease and if incurable; and for any applicant outside of Toronto the equivalent testimonials shall be required.

Each application for admission to the Home shall be presented at the regular meeting of the Board, and if entertained, after due investigation, shall be acted upon at the following regular meeting of the Board.

But applications for consumption and cancer cases made at a weekly meeting may be acted upon at the next following meeting, and *vice versa*; applications at monthly meetings may be called in at following week meeting.

4th. If, after the name of an applicant has in due course been approved by the Board, a considerable time should elapse before the occurrence of a vacancy, and there is reason to apprehend that such a patient is at, or near, the point of death, then the resident medical officer shall be directed to visit the case and to report to the Board as to the advisability under the circumstances of removing the patient to the Home.

5th. All the inmates of the Home must distinctly understand that an admission confers no right of permanent residence in the Home, and at any time the Managers have the power of dismissing an inmate for what
