...Marble Chimney Pieces.
...THE Subscriber invites the attention of the
...public to the above beautiful articles. They
...are manufactured of Stone, by the Penryn Marble
...company, in imitation of the most rare and desir-
...able kinds of Marble.
...In style and finish they are unequalled, are very
...highly polished, retain their beauty much longer
...than common Marble and are not injured by coal
...gas, smoke or acids.
...They have been extensively introduced into
...public and private buildings in the United States,
...giving perfect satisfaction to those who have re-
...sided. While superior in appearance they are sold
...cheaper than anything of the kind in the market.
...In fact, the confidence with which they have been
...far and used gives the fairest evidence that the
...Penryn Marble, by its many advantages, will in
...a great measure supersede the use of any other.
...Architects, Builders, and all others, are invited to
...examine them.
