> After Several Years Absence ROGUISH DOROTHY GISH As Whimsical Janice Webster

The diverting tale of an independent young miss who outwits her trust company guardians by promising to marry both Vice-Presidents on her 18th birthday. A rollicking, humorous and very human play indeed.

Retails Toronto, July 9—Pitcher George Zatolel has made good his threat to jump the Toronto Club. The good right hander left the team at Buffalo last night, and went to his home in Chicago, where he has accepted a position with a munitions plant as a skilled mechanic. He will also pitch for the baseball team representing the plant.

In conversation with President McCaffrey, the pitcher said that he was not at all optimistic of the future of baseball during the war. The Chicago position offers him steady employment throughout the year, and pays him a handsome bonus for his services as a pitcher. The Giants are playing the best ball of the season right now. Schrupp has returned to form, Anderson, Perritt, and Tesreau are delivering. Zimmerman is doing far better than at any time in several years, and the rest of the infield is going fine. The outfield has settled down to steady playing, while the comeback of George Gibson has eliminated the only weakness over which any recent fear has been felt.
