Larry McLean Released.
Media, Penn., July 18.—Manager Alexander of the Media club of the Delaware County League has released Larry McLean, suspended catcher of the New York Giants.
McLean's inability to hit and failure to lead down the Delaware County League scorers cost him his job. In the four games McLean played he made only two hits. He also failed to get in position or play with spirit. Just what salary was could not be learned, but it was understood he received \$100 a game.

Asks for Waivers.
Manager Donovan of the New York Yankees has asked for waivers on Marty McHale, Pete Daly, a former Athletic, and Ensign Cottrell, a young Southpaw. Montreal is after McHale and Daly.

Farmer and Clabby Draw.
Oshkosh, Wis., July 18—Frank Farmer got a draw here last night with Jimmy Clabby in a ten-round bout.

WAS WASTED TO A SHADOW.

Cholera Infantum is one of the most common summer complaints of infants, and many die who could be saved if taken in hand on the first sign of the trouble. It begins with a profuse diarrhoea, very often accompanied by vomiting, and the matter ejected from the stomach has a bilious appearance. The child rapidly loses flesh and becomes weak and languid.

Mrs. V. Fallis, 455 Jones Ave.,
Toronto, Ont., writes: "I have used
Dr. Fowler's Extract of Wild Strawberry
for my three children, and I do believe it
saved their lives. One of them had
cholera infantum so bad he was wasted
and almost dead, but Dr. Fowler's gave him
up, but 'Dr. Fowler's' cured him.
I have also used it myself for colic and
find it an excellent remedy. I could not
be without it."

Dr. Fowler's Extract of Wild Strawberry
is the original remedy for the cure
of all bowel complaints. It has been on
the market since 1870.

When you ask for "Dr. Fowler's" see
that you get "Dr. Fowler's."

In the Fairville League last evening the Royals defeated the Roses 10-4. Phil Perry and Craft were the battery for the victors while Nobles pitched for the Roses and did good work.

During the second half of the first inning the Roses played very loosely in the field and allowed six runs. After that they tightened up and held their own, but their recovery was too late. Tonight the Courtneys and Portlands will play.

The youngest 32nd degree Mason in the state of Maine is Charles Foster of Damariscotta. He was twenty-two years old last February and has taken all the degrees in the York and Scottish rites.

"THE MORALS OF MARCUS"

HAD WILLIAM LOCKE EXPRESSLY WRITTEN his famous novel and play, "The Morals of Marcus," for dainty Marie Doro, he could not have improved upon the theme or the role, with their vast treasure of opportunity charmingly congenial to the talents and mannerisms of the youthful star. The picturesque clarity and originality of the play is further illuminated by the sweet and wistful personality of Miss Doro. She makes an ideal impersonator of the character of Carlotta, slender and fascinating little refugee from the Turkish harem.
