MEN MUST COVER KNEES.

Volva Orders Skirts on Their Bathing Suits.

Chicago, Aug. 25.—The board of aldermen of Zion City is split over a new ruling by Overseer Volva which has to do with the style of men's bathing suits. The new ruling sets forth that the trousers of men's bathing suits must extend below the knees and a skirt must be worn. It's a great mode for sedentary citizens with knobby knees and lean shanks. For swimming the Zion style is little better than a suit of armor. "Might as well jump in the lake with

your clothes on," says Alderman A. E. Huenevager, who is leading the fight against the new regulation.

Let your child's foot develop Naturally

The natural foot is not ungraceful—it is a perfect piece of mechanism. The toes are straight and strong, the instep high and pronounced, the sole tough but resilient. That is how your child's foot should grow.

Ill-fitting shoes—shoes that pinch and distort the toes—shoes that harden and callouse the sole will give your child an awkward, graceless carriage. Fit HURLBUTS and insure the free graceful walk nature intended.

HURLBUTS are made with soft cushion insoles, nature shape toes, and are well-cushioned. They insure the lowest cost per day of wear.

Write for booklet about Hurlbut "Re-build Service" and we will tell you the name of the Hurlbut dealer nearest to you.

Irreproachable Quality

has been maintained in all Furs we've manufactured since 1859, the year we started. This policy has always repaid us through delighted customers who in some instances represent the fourth generation of one family, so confident are they of Reliable Furs with the Magee label.

New Lower Price Levels For This Quality of Furs Are Being Introduced for the Season 1921-22 in OUR AUGUST-SEPTEMBER FUR SALE WHICH BEGINS AUGUST 25 AND CONTINUES UNTIL SEPTEMBER 10.

And we confidentially predict that you will be as enthusiastic as we are about the new prices, they are so welcome; and warm furs so indispensable to our climate.
