MADE
IN
CANADA

are the ideal chains for Canadian roads in both rainy and winter weather.

Your car has more life and power. You have more ease and confidence at the steering wheel. You can go anywhere in all kinds of weather when equipped with Dreadnaught Chains.

Constructed of electrically welded, case hardened cross sections, rust proof rim chain, and long lever fastener, Dreadnaught is the Master Chain. Imitations lack Dreadnaught quality.

The "Just as Good" argument will not do for the experienced motorist who knows. Insist on genuine Dreadnaught Chains.
