Sidelights On Sport

From present indications the races to be held under the auspices of the St. John Power Boat Club at the annual regatta, July 1, will be the best ever held in these parts. Some of the speed boats entered are said to be capable of going upwards of thirty miles an hour.
Baron A. caused a thrill by his performance at Moosepath yesterday. To keep right on the wire with one rein hanging loose and a tire off the sulky is certainly going some. It is another proof that race horses realize what they are supposed to do on a track. Horsemen tell some interesting stories of happenings on the circuit.
On St. Peter's diamond last night the game was a thriller. The St. John baseball league last evening attracted a large gathering of fans, but the big event is the tomorrow evening when St. Peter's and Carleton will clash. There is considerable speculation on the result and both teams have a large following. Tonight's game is also creating interest and the outcome will be awaited with interest. Last night's fixture should have been won by Fairville as they had numerous opportunities to put the game on a steady basis. Pitcher O'Toole made a very good showing and with more persistence should make good. His support at times was not all that could be desired. However, the team fought hard and deserve all credit. It is becoming a common occurrence to have batters credited with three base hits and home runs when the ball should either be caught or else knocked down for a single. Fielders are supposed to stop a ball and if it gets away from them the pitcher is not supposed to be held accountable. An error is charged to the fielder if a pitcher gets away from him and a runner advances a base.

OUR TEAM SHUT OUT IN SOLDIER GAME IN FRANCE
Americans Win Inter-Alleied Baseball Event—Two Dominion's Men Win Race Heats
Paris, June 23.—On the first day of the Inter-Alleied games now being held, athletes from the British dominions shared the honors of the day with the Americans, by winning two of the principal races.
In the 100 metres dash, P. J. Howard of Canada, and Lindsay, of New Zealand, won their heats, while Edward Teichner, Sol Butler and a dock, United States, all won their heats in the same event. The time made by the sprinters was not extraordinary.
In a baseball game between the Canadians and the Americans, W. B. Fuller, formerly of the Washington American League team, shut out the Canadians 5 to 0.
An international crowd of 25,000 persons watched the contests.

LOCAL TRAP-SHOOTERS DEVELOPING FAST
The weekly shoot of the local Trap Shooting Association was held on Saturday afternoon at the club grounds. The following are scores:
Shot at Broken
O. J. Killam 30 44
H. D. Payson 30 41
Allen Gundry 30 35
Katie Wilson 30 35
H. Berry 30 31
John Russell 30 26
Mr. McCord 30 25
Fred DeForest 30 25
F. Boyer 30 25
For those not familiar with this very captivating sport and who may be under the impression that years of practice may be necessary to become a good flying target shot, perhaps it would not be amiss to state that Mr. Gundry, a local trap shooter, shot a flying target on Saturday last that was not shot at the traps more than four or five times.
O. J. Killam, H. D. Payson as team made successful in winning the handsome Maritime Challenge Cup for the Halifax trap shoot time ago. Mr. Killam is one of the best trap shots in eastern Canada and has had only a few practices. Another practice will be held on Wednesday evening at seven o'clock daylight time.

Although the formal opening will not take place until July 5, the committee expects to have the grounds ready for playing by next week.

Grebb Beats Gibbons
Pittsburgh, Pa., June 23.—Harry Grebb of Pittsburgh was given the newspaper decision over Mike Gibbons of St. Paul in their 10-pound bout here tonight. A record crowd witnessed the bout, which was full of action from the starting bell until the finish. Grebb won six rounds on points, one was even and Gibbons took the others.
Levinsoy To Assist Willard
Batting Levinsoy will join the training camp of Champion Jess Willard for a few days before Jess takes on Dempsey and will show the big champion Dempsey's style of fighting and also the blows which he is likely to use during the contest. Levinsoy will start for Toledo immediately after his bout with Harry Grebb in Philadelphia on June 24.

East End Improvement League.
The executive of the East End Improvement League held a meeting last evening in the home of Mrs. J. M. McKim, president of the league, was in the chair. Plans were discussed for the formal opening of the league next Saturday afternoon, when a game of ball will be played at 2.30 between two picked teams. Commissioner Fisher, who has done much toward getting the grounds put in shape, will be asked to pitch the first ball. The following committee was appointed to make all arrangements for the opening of the league: Walter Daley, Harry Scott and D. C. Fisher. A committee was also appointed to get savings and other equipment for the playground. This is the largest playground in the city and when completed will be one of the best.

DEMPSEY GETS DANDER UP AND KNOCKS OUT TATE

Stung by Comments He Cuts Loose—Willard Takes a Day Off From Training

Toledo, Ohio, June 23.—Stung by the criticism that his sparring partners had been able to hit him with disappointing frequency, Jack Dempsey, challenger for the world's heavyweight championship today knocked out Tatum Tate, a giant negro, while the crowd that packed the training camp gasped in amazement over the power of his punches.
Willard in the face of criticism that he is not working hard enough, did no training today. The champion said he was reduced to the weight at which he was accustomed to enter the ring, that he was his own trainer and would condition himself as he thought best. He said that a day of rest would make him stronger to resume the grind of boxing tomorrow.
Tex Rickard, promoter of the match, announced tonight that the seat sale had reached \$400,000, but that the huge arena according to plans now completed, would be able to accommodate enough spectators to swell the total gate receipts to \$1,000,000.

Sports Are Booming In British Isles

Classic Turf Events Rim and County Cricket Resumed

Sports of all kinds are enjoying a wonderful boom—a real come-back—throughout the British Isles this season. Many familiar faces of past champions are missing on all sporting fields, but the games are carried along with intense enthusiasm. The king of sports, horse racing, is now in full swing, several of the pre-war classics having been run off while many more are scheduled during the season.
County cricket was resumed last night by a stoppage of the season. With the exception of Worcestershire, all the counties which completed their season before the war are playing two games each week, which attracts large crowds.
While the championship will be limited this year, it is expected to be a most interesting season. The Professional Golfers' Association's tour, which was played two weeks ago, attracted 100,000 spectators, including all the leading professionals. It was won by the veteran, James Braid, with a score of 168. Harry Vardon was eighth, (184), Edward Ray ninth (186), George Duncan eleventh (185), and J. H. Taylor thirteenth with 186.
Athletic meetings are held each week throughout the country, several of the youngsters living already being successful.
Lawn tennis is enjoying a strong revival, many of the famous old tournaments being scheduled.

ADIDOO GUY, 203½, SHOWED FAST MILE (Frederick Glenister)

Last night "Kid" O'Neill, owner of Adidoo Guy, 203½, said he expected to go to St. John some time today and it is understood that he is anxious to place some wagers with those who are interested in Peter Parren, 207, the present holder of the maritime record. Adidoo Guy holds the "swimmer's" record among the training colony located here, having made the local track last Thursday in 2:14 in his first workout of the season.
The entries for the smaller boats were Dixie, John Frodsham; Dash, G. Reynolds; Olan and Jean, J. J. Davis.
The first race was a marine compass and five gallons of gas. This race is for boats of thirty-six horse power and over, and the entries so far received are: Anne, H. Baker; Jean L., J. K. Lawson; Phil, H. Hoyt; Patricia, R. McAllister; Ed, Dinger; two boats from Fredericton, one from the Miramichi, one from Gagetown and several from the city.
From Montreal the party will jump to St. Andrews-by-the-Sea, a very sporty seaside course on the Bay of Fundy in New Brunswick, which resembles in many respects the seaside links of Scotland. On Saturday night the golfers will return to Montreal and disperse, home ward bound. Judging from the interest shown by the Hamilton Club, which entertained the players at luncheon today, a very substantial sum will be raised for the Canadian Red Cross by the United States golfers.

U. S. GOLFERS OPEN CANADIAN TOUR WHICH INCLUDES ST. ANDREWS
Hamilton, Ont., June 23.—United States golfers, including Charles (Chick) Evans, amateur and former open champion; Oswald Kirby of Englewood, N. Golf Association championship for the third time, thus retiring the championship trophy from competition; D. E. (Ned) Sawyer, former western golf champion; Gardner W. White, one of the best of New York's golfers—recently beat Jerry Travers 6 up and 5 to play—and Grantland Rice, clever golfer and noted writer about sports, opened a tour of the Canadian Red Cross and under the auspices of the Royal Canadian Golf Association, the patron of which is the Duke of Devonshire, K. G., governor-general of Canada. Hamilton is 2,800 yards in length and Champion Evans has said that it is one of the best of golf in North America.

season in hoppers. A party of Halifax horsemen are coming here to watch tomorrow's workout.
Secretary O'Neill said this morning that he had been advised that a Red stable would leave Fort Fairfield, Me., for Fredericton on Wednesday.

The annuals of harness racing in the maritime provinces do not fall of any more violent competition between track managements for attractions than the present class between the Fredericton and Moncton tracks for the presence of Adidoo Guy, 203½, in their opening meeting.
The sensational Halifax-owned flyer for all is likely to be subject of legal proceedings if the present situation keeps up, as Secretary Hugh O'Neill of the Fredericton Park Association, admits that he has already secured legal advice and finds that there are grounds on which he can proceed if attempts are made to have "Kid" O'Neill, owner of the chestnut pacer, break the contract he entered into when he fled an entry for the local free for all.

Keen Interest Manifested In Power Club Races

Should Be Best Ever Held in These Parts—Outside Boats Entered

A special meeting of the St. John Power Boat Club was held last evening and plans were made for the annual regatta on July 1, when a stellar programme of water and field sports will be held. Following a discussion of the working of the club, Commodore Chesley asked for reports from the various committees. The racing committee declared that unusual interest is being manifested in the races to be held July 1, especially in the fast power boats. The club has been received from Fredericton, one from the Miramichi, one from Gagetown and several from the city.
The first prize in this event will be a silk flag and fifteen gallons of gas; the second a silver shield and ten gallons of gas, and the third a marine compass and five gallons of gas. This race is for boats of thirty-six horse power and over, and the entries so far received are: Anne, H. Baker; Jean L., J. K. Lawson; Phil, H. Hoyt; Patricia, R. McAllister; Ed, Dinger; two boats from Fredericton, one from the Miramichi, one from Gagetown and Dr. Hetherington's boat.

NOT DEAD BUT ABSENT IN DISCHARGE OF DUTY

U. S. Vice-President's Tribute to Canadians and Americans Who Gave Lives in War

Baltimore, June 23.—"We are looking and longing for world-wide peace. And we are going to try the League of Nations, all statements to the contrary notwithstanding," declared Vice-President Marshall yesterday afternoon at Johns Hopkins University.
He paid an eloquent tribute to Canada and her part in the war. "I prophesy this for Canada," he said, "and I pledge my country for it, that no Canadian or American who sleeps beneath the soil of France or Flanders will ever be regarded by either country as dead. They will be referred to as absent in the discharge of duty."
"On this historical occasion and in the presence of representatives of sister governments which I am permitted to say, that in my judgment nothing is needed for universal peace so much as that the world shall learn to live in the same kind of amity and good will as Canada and the United States have proved possible."
Norway Wants Games
LAUSANNE, June 23.—The Norwegian government and the municipality of Christiania have telegraphed to the International Olympic Committee proposing that the Olympic games be held in Christiania in 1924. The 800th anniversary of the foundation of the Norwegian capital at Christiania will be celebrated there that year.
