MISSING PACKAGE WITH I.C.R. PAY CHECKS OF \$1,000

A registered package containing the pay of about thirty trainmen employed here with the I. C. R. and amounting to more than \$1,000 is missing and no one seems to know what became of it after last Tuesday. The envelope contained the checks of the workmen to be paid on or about the 15th, but as yet they have not received their money. A report was circulated about the city that some of the shovellers had gone on strike because of the non-receipt of their checks, and in consequence there had been trouble in loading the trains, but this was said today to be untrue. If the package is not located, duplicate checks will be issued to the men.

FINDS ST. JOHN PAPER EIGHTY-EIGHT YEARS OLD

Mrs. James Walker of South Bay Comes Across a Star of December, 1826

Mrs. James Walker, of South Bay, has in her possession a copy of a newspaper published in St. John, named the "Star" and dated, December 26, 1826. Mrs. Walker found the old paper while looking over some of her husband's effects.

The newspaper is of four pages, four columns wide. Out of the sixteen columns, ten are devoted to advertisements, four are used in outlining the doings of congress in the United States and two columns on the last page contain nothing but fiction—a continued story—and a few lines of poetry. The only local news in the paper is contained in the following marriage and obituary notices:

Married.
On Saturday evening last by the Rev. B. G. Gray, Mr. Charles King, to Mrs. Agnes Robson, both of this city.

Obituary.
On Sunday last, Robert, son of the late John Allan, aged 8 years and 10 months—Funeral will take place tomorrow at 11 o'clock.

He and Walsh are to roll 20 strings in an exhibition game on Black's Alley. Walsh is a former North End boy of whose game nature he said, as he is already widely known and greatly liked by local friends. He holds the world's record of 178 for a single string.

Interesting Queries and The Answers In Legislature

OFFICIALS AT ELECTIONS

Question Having To Do With Public Works Man—Cases of Bail Forfeited and Not Collected

Hon. Dr. Landry, in answer to Mr. Dugan's inquiry in the N. B. legislature, said:

Q 1—Do officials of the government who travel as salaried persons charge up their fare in their expense account?
Answer—No.

Q 2—Has the government any system of "over" books for its officials when traveling, such as is in use by officials of the dominion government?
Answer—Officials are required to present vouchers for traveling expenses, which are audited in the usual way.

Q 3—Are the officials required to make any declaration in connection with their expense accounts or are they paid as submitted?
Answer—As a rule affidavits are submitted covering all traveling expenses of officials.

Q 4—How long since the C. P. R. has issued annual passes to members of this house in lieu of trip passes?
Answer—Annual passes have been issued by the C. P. R. to members of the house for about four or five years.

Q 5—Does the government approve of the custom in this province of paying the members of the legislature ten cents a mile, each way from their home to the legislature and return, when each representative's railway passage does not cost him a cent?
Answer—The statute "Respecting indemnity to members of the Legislative Assembly," Chapter 8 of the Consolidated Statutes, 1908, Section 4, requires that each member of the legislature shall be allowed mileage to defray his traveling expenses to and from the sessions of the legislature. The acceptance of a railway pass is a matter for the consideration and determination of each individual member.

Officials and Elections.

Hon. Mr. Clarke, in answer to Mr. Dugan's inquiry, said:

Q 1—Is there any regulation in any of the departments of the government which requires the officials shall not take an active part in provincial or other elections?
Answer—There is no regulation, but it has been intimated from time to time to officials that they should take no active part in provincial or other elections.

Q 2—Has the attention of the government or any member of it been directed either verbally or in writing to the fact that H. M. Blair, secretary of the public works department, took an active part in the recent election in the County of York?
Answer—Neither the government nor any member of it has received any formal intimation concerning the subject matter of this inquiry.

Q 3—If so, did the government reprimand Mr. Blair or take any action?
Answer—Answered by No. 2.

Bail Forfeited and Not Collected

Hon. Mr. Clarke, in answer to Mr. Dugan's inquiry, said:

Q 1—What amount of bail has been forfeited in this province during the year ending December 31 last?
Answer—A recognition in the case of the King vs. Leonard W. Hannan was declared forfeited on December 30, 1913. Under the terms of the recognition Hannan was bound in the sum of \$500 and Hugh Buchanan and Charles H. Truman in the sum of \$500 each, conditioned for the appearance of the said Leonard W. Hannan on December 19, 1914, at ten o'clock in the forenoon to answer further the charges preferred against him in the information in the case.

A recognition in the case of the King vs. Warren Beaumont was declared forfeited on December 30, 1913. Under the terms of the recognition Beaumont was bound in the sum of \$1,000 and W. Botsford Beaumont and Ovid Leckhart in the sum of \$500 each.

A recognition in the case of the King vs. Alexander Cohen was declared forfeited at the May sitting of the Circuit Court of Westmorland county. Under the terms of the recognition Cohen was bound in the sum of \$1,200 and Louis Attis and Walter P. Josiah in the sum of \$500 each.

A recognition in the case of the King vs. Ephraim Morton was declared forfeited at the November sitting of the Westmorland County Court. Under the terms of the recognition Morton was bound in the sum of \$500 and George Budd and Alfred Hennessy in the sum of \$250 each.

Q 2—What amount has been collected and from whom?
Answer—No amount has been collected on any of the forfeited bonds.

Q 3—Were any forfeited bail bonds not collected and if so, why not?
Answer—Answered by No. 2.

Hon. Mr. Clarke in referring to these answers, said the case of Dr. Byrre of Chatham, whose bail was forfeited, had been inadvertently omitted. As far as he was able to ascertain, this and those included in the answer were all that had been forfeited, but owing to the short time he had held the office of attorney general, he had not been able to go through all the papers in the office, and there might be others.

ANOTHER GOOD TIME IN THE KEITH SUITE

Another very enjoyable social event was an assembly conducted in Keith's suite last evening by the members of the Kewatin Dancing Class, when about 150 were in attendance and all had a most delightful time. A pleasing dance programme was carried out with a six-piece orchestra in attendance and dancing lasted till the early hours of the morning. Dainty refreshments were served about midnight.

The chaperons were Mrs. H. Codner, Mrs. H. H. Bisset, Mrs. George Dick, and Mrs. J. W. Cameron, while the committee having charge was composed of J. L. Brown, J. S. Collier and J. B. Patchell, ably assisted by George Cochran, Thos. B. Reynolds, F. R. Sinclair, and Fred Reynolds. The Keith suite was nicely decorated with flowers, ferns, and potted plants. The evening gave pleasure and delight to all present.
