Browns Purchase Pitcher.
Orlando, Fla., Sept. 7. — The sale of Dutch Henry, premier pitcher of Joe Baker's pennant winning Orlando Club of the Florida State League, to the St. Louis Americans, has been announced. Chic Palmer, shortstop of the same team, has been sold to Rochester of the International League.

Plays His 800th Game.
Boston, Sept. 7. — When Captain Everett Scott of the Red Sox took the field as shortstop against the Athletics at Fenway Park, last Friday, he took part in his 800th consecutive major league game. His continuous play, long since a record, started on June 30, 1916. If world series contests and exhibition games were included it would be at least fifty games greater.

The modern record for continuous play was held formerly by Fred Luderus of the Philadelphia Nationals, who in 1919 completed 533 consecutive games. The longest known previous record of organized baseball, 577 games without a break, was made by George Pinckney of the Brooklyn American Association team, over a period from 1885 to 1890.

Beavers Won.
The East End Beavers defeated the South End Imperials, 3 to 0, on the South End diamond on Monday evening. The batteries were: Hayes and LeBlanc for the winners, and Rodgers and Bette for the losers.

A Challenge.
The East End Beavers wish to challenge the M. R. A. Nationals to a game of baseball on the Rockwood Park diamond on Friday evening at 8.30. Please answer through the Times.

Victory for Britishers.
Jellwood, Minn., Sept. 7.—Abe Mitchell and George Duncan, British professional golfers, defeated Tom Vardon, White Bear professional, and Jack Burke, Town and Country State open champion, six up and five to play, in a 36 hole best ball match here yesterday.

McTigue Gets a Word.
New York, Sept. 7.—The World says: "It was a fortunate thing, indeed, for Johnny Wilson and Bryan Downey that they were battling, or rather making a sorry effort to battle, each other over on Boyle's Thirty Acres instead of mingling with either Mike McTigue or Panama Joe Gans. The opinion is generally expressed that either McTigue or Gans could have put the well-known day-lights out of the two claimants of the middleweight title."

"For six rounds Mike seemed content to remain on the defensive and let Gans carry the fight to him, but in the seventh frame he opened up and let fly with everything. Several times he had Panama Joe rocking unsteadily on his pins and on the verge of toppling over for a protracted sojourn on the canvas. Gans, however, just did manage to survive these tempestuous moments, but the well-licked man at the close of the fight."

"McTigue showed better than even his most optimistic adherents had anticipated. He comported himself much after the manner of a real champion, and had he been in the ring with Wilson he would undoubtedly have emerged therefrom champion."

His Skull Fractured.
Kansas City, Sept. 7.—Harold "Tiger" Gaulling, twenty-one years old, a heavy-weight boxer, was in a hospital yesterday, unconscious following a collapse at the end of a six round bout last week in Kansas City, with "Battling" Joe Wolf. A physician said he was suffering from fracture of the skull at the base of the brain.

TURF.
Grand Circuit Meet.
At the grand circuit meet at Hartford yesterday Peter Manning, champion trotter, defeated Single G. in a special match race for a purse of \$5,000, best time 2:02 1-2. Roy Gratton won the 2:04 age, two out of three heats, best time, 2:02 1-4. Edith Worthing won the two-year-old trot in straight heats, best time 2:14 1-4. The 2:14 trot went to Peter Blazo, best time 2:09 1-2.

SKATING.
Would Alter Laws.
Changes in the charter and by-laws of the International Skating Union which would give it final jurisdiction over hockey, speed and figure skating and other ice games in the United States and Canada have been made by a special committee, Julian T. Fitzgerald, first vice president, announced recently. The changes will be submitted to members of associations for a mail vote, he said.

FOOTBALL.
British Games.
London, Sept. 6.—Yesterday's results in the southern section of the third division of the league football schedule follow:
Aberdare, 2; Swansea, 1.
Brentford, 1; South End, 0.
Charlton, 0; Gillingham, 0.
Millwall, 0; Waterford, 0.
Northampton, 2; Swindon, 1.
Sheen's Park, 2; Newport, 1.
Gillingham, 2; Luton, 1.

The High School Team.
In anticipation of the opening of the eighth season a football committee consisting of Bud McInerney, Jarvis Wilson and Colby Potter was appointed at a meeting of the High School Athletic Association yesterday. The committee will make preliminary arrangements for grounds. The local school boys, it was said yesterday, intended to make a vigorous attempt to regain possession of the football cup now held by Fredericton High School. Many members of last year's team are back at school and prospects look good for a winning fifteen.

W. C. T. U. ACTIVITIES.

A case of a sick family was reported at the meeting of the W. C. T. U., yesterday afternoon, and it was decided that the attention of the medical health officer should be drawn to the matter. The meeting being the first of the month, Mrs. Seymour, the evangelistic superintendent, led the opening devotional exercises. Mrs. George Colwell, the county president, led in prayer. Mrs. David Hipwell, the president, was in the chair for the business session. Mrs. Colwell announced that the quarterly county meeting would be held with the Carleton Union. Mrs. Berglund, the corresponding secretary, reported having written to secure a visit in St. John from the provincial convention speaker. Mrs. Hope Thomson reported having visited six patients in the general hospital and spoke of their patient endurance and of their gratitude to the nurses. The Child Welfare course at the Exhibition was the subject of much favorable comment and Mrs. Hipwell explained the aims and purposes of the course. The secretary was asked to endeavor to secure Sheriff J. D. Hawthorne as a speaker at the county W. C. T. U. meeting.
