

"That the Members of this Society who attended the recent examination of the classes at the Seminary, were highly gratified at the evidence afforded of proficiency in both departments, and that we feel ourselves pleased with the selection of Teachers, to whose able and paternal care we can confidently commend the youth of our Province.

"That as many parts of the Province are still unacquainted with the claims which this Institution has to public support, an efficient person be employed as an Agent, by the Committee, to travel through the whole Province to make these known, and invite all the friends of Education to assist in sustaining an object of so much public utility.

"That the Report of the Committee relative to Messrs. Burpe and Taylor's Petition of last year be received.

"That Mr. Asa Dow be appointed a Member of the Board of Directors in the place of the late Mr. Archelaus Hammond, deceased, and that Mr. W. C. Snow be appointed in the place of Mr. J. Pickle, who has left the Province."

"That all persons whose subscriptions are not paid, particularly those who subscribed at the Meeting of the Education Society last year, are respectfully requested to pay the same as soon as possible, to assist the Committee in liquidating the demand against the Institution.

"That all of the regularly ordained Baptist Ministers in the Province are respectfully requested to act as our Agents, (independently of the General Agent, or in conjunction with him, as occasion may require), in promoting the views and advancing the interests of the Society throughout the Province, but more especially in the districts where they severally reside.
