Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Novada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegan Birrings? Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegan Birrings in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let Dr. J. Walker's California Vinegar

Grateful Thousands proclaim Viresass Birreas the most wonderful Invigorant that ever sustained the sinking system.

Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobila, Savannal, Bounoko, James, and many others, with their year tributaries, throughout our with their vast tributaries, throughout our entire country during the Summer and Autuma, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal wiscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is executively necessary. There is no cafficartic for the purpose equal to Dn. J. Walker's Vinneau Berring, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the sema time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigostion-Healache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Educations of the Stounch, End Taste in the Month, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepaia. One bottle will prove a botter guarantee of its merits than a longthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcors, Erysipelas, Swelled Neck, Goitre, Serofulous Inflammations, Indolent Inflammations, Merourial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Discases, Watgun a Vizzgar Brrrass

Pin, Tape, and other Worms, larking in the system of so many thousands, are effectually destroyed and removed. No system of modicine, no vermifuges, no anthelminities, will free the system from worms like these Bittera. For Female Complaints, in young or

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstracted and dunggful in the veins; cleanse it when it is foul; your feelings will tell you when. Keen the blood pure, and the health of the system will follow.
