LETTER OF AMERICA.

"Grand Detour, Ill., March 27, 1883.

"DEAR SIR,—I would like to say a word in regard to your wonderful medicine, as it has done wonders for me. I had suffered for years with dyspepsia, but after having taken two bottles of the EXTRACT OF ROOTS or SEIGEL'S SYRUP am entirely cured, allowing to your valuable discovery.—Yours respectfully,

"FRANK PALMER."

If you take a severe cold, and are threatened with a fever, with pains in the head, back and limbs, one or two doses of SEIGEL'S OPERATING PILLS will break up the cold and prevent the fever.
