S. M. Wetmore, of the S. P. C. A., is making investigations about a broncho horse owned by John Friars, the Mill street tobacconist. The horse, it appears, is covered with a mass of sores and should be shot. Mr. Friars, however, is endeavoring to keep the ani-

KIDNEY DISEASE FOR TWENTY YEARS.

Mrs. Caswell Reid, Orville, Muskoka, Ont., writes: "For nearly twenty years I was troubled with kidney dis ease, and have recently been complete ly cured by using three boxes of Dr Chase's Kidney-Liver Pills. I have tried a great many remedies, but never seemed to get anything to do me so much good until I used these pills."

PLEASANTLY SURPRISED.

Mr. and Mrs. R. G. Stewart of Garnett's Settlement were agreeably surprised on Tuesday evening, Jan. 3rd, when about thirty of their friends drove from the city to their residence and after the evening was spent in dancing and games Edward Moore on behalf of the company, presented to Mr. Stewart a handsome rocker and to Mrs. Stewart a mirror. Mr. Stewart made a suitable reply.

HUTCH FOR THE BLOOD When one eats a lot and crams a lot of food in the stomach, the process of remains in chenks and ferments. This fermentation produces poisonous acid, which, when it enters the blood, causes impurities and produces the humiliating evidence so well known. It is neimpurities and produces the humiliatcessary before one attempts to clean the blood to clean those organs of the body on which the blood depends for its purity and healthiness. Hutch will clean the body, assist the digestion so that it will be complete, and it will purify the blood and skin. Hutch is a doctor for ten cents.

CANADIANS ARE EXEMPT.

That Head Tax on Aliens Entering the United States.

MONTREAL, Jan. 5 .- In reference to recent Associated Press despatch from New York stating that at a meeting of the Grand Trunk Line Passenger Association a proposal had been considered to place a head tax of \$2 on all Can adians entering the United States for the purpose of taking passage on ners leaving United States ports, C. A. Pipon calls attention to the fact that under the United States law Canadjans are exempt from such taxation Mr. Pipon explains that several alien assengers from Winnipeg, not Canadians, were stopped at Niagara Fills. steamship companies do now on aliens reached Vancouver at the time. in transit from Europe.

Byron McLeod, Cardwell. A glance over this list shows how carefully Sheriff Hatfield and his deputy, Fred W. Freeze, have done their work, and one would think that the services of the thirty talesmen would not be called on, for a better distributed jury panel and a more intelligent and well balanced set of men it would be hard to bring together. Yet of the special panel summoned as talesmen the same remark holds good.

KICK IN SYDNEY

Against Proposal to Give Subsidy To Shipbuilding Company.

HALIFAX, N. S., Jan. 9 .- There is a vigorous kick in Sydney against a proposal to give a shipbuilding promoting company there a subsidy of \$250,000 to erect yards in that harbor. A number of aldermen ask that the town of Sydney secure a first mortgage on the company's property, but the promoters refuse to accede to this. It is stated by the opponents of the scheme that Axel Johnson & Co. of Stockholm, and the Dominion Coal Co. are alleged to be largely interested in it, would come in and secure the whole plant from the promoters for a nominal figure. A meeting of the Sydney city council will be

comes up at this moment a very im-portant question. We hold Wei-Hei-dean of the law school, in graceful Russia holds Port Arthur. Russia has ceased to be the possessor of Port Ar- ly address. thur and will we now cede Wei-Hei-Wei to China?

These dependencies of England have no legal relation one to another. There is no legal relation between Canada and Newfoundland, other than that they are both British colonies. The English parliament is the only legal sovereign power in the whole British Empire. There is absolutely no limit to the power of the English parliament Some mention the royal veto, but this has not been used for over two hundred years, Queen Anne having been the last sovereign who exercised it: With the English parliament so paramount what then is the authority possessed by the government of Canada? Dicey puts it succinctly when he says that the parliament of Canada, or of any other part of the British Empire, is really a statutory parliament. Canadian parliament is given its authority by the British North America Act, passed by the imperial parliament in 1867. Canada, therefore, stands in the same relation to the imperial parliament as an English railway company

would. It is theoretically possible for the imperial parliament to pass a law overriding the laws enacted by the
