

The Farm.

Cooking Food for Hogs.

Winter always brings inquiries about the profitability of buying feed cookers or steamers for cooking food for hogs.

But when wintering a lot of brood sows, young and old, or a lot of fall pigs to be marketed in May or June, there is great advantage in cooking or heating food.

Then again, in years like this, when potatoes are so low priced that it does not pay to haul them any distance to market,

Again, if sows are to farrow in March or the forepart of April, then warm food and shelter will save many a litter, and richly pay cost of a heating apparatus.

The Object of Mulching Strawberries.

Concerning the "winter overcoat" of the strawberries, The Rural New Yorker's Hope Farm man has said: We tried forest leaves, fine manure, coarse manure, stalks, marsh hay and cowpea vines.

Why Apples Keep Badly in Cellars.

The most important condition in storing apples is the temperature. The storage room should be kept very near the freezing point, ranging preferably from 33 degrees to 35 degrees F.

This is something to which every farmer especially ought to give attention, for every farm certainly ought to raise apples enough for the family.

Wisconsin's Cranberries.

In Wisconsin this has been a banner year for the cranberry growers. Accord-

ing to all reports, there has never been such a crop grown in former years, nor one harvested in better shape.

Treatment for Plant Lice.

At one of the experiment stations, treating pelargoniums infested by aphides with one-half dram carbon bisulphide for three hours, was found to be thoroughly effective in destroying the insects without injury to the plants.

The dictionary says

success means prosperity; good fortune; a wished-for result. The success of Pearline means more. It means that Pearline has proved itself the easiest, quickest, safest, most economical thing to use in washing and cleaning.

WORK FOR YOU WINTER AND SUMMER.

Read Carefully and Become a Shareholder.

This Syndicate has been formed for the purpose of manufacturing knitted goods cheaper than any existing company; to keep down prices, and to oppose the large knitting combines and companies which have joined hands to raise prices.

1. The Syndicate will manufacture its own yarn and machines for which it has a mill and every facility.

2. The Syndicate will have all goods made by shareholders knitting at their own homes.

3. The Syndicate will pay for all property made goods at once upon receipt of same, and besides paying for the work when sent in will semi-annually divide with its working shareholders the net profits from the sale of all goods made by its shareholders.

4. To make subscriber of twenty \$1.00 shares the Syndicate gives free a twenty dollar Knitting Machine to keep, and also supplies each working shareholder, free of charge, full directions, samples and yarn to make the goods.

5. To become a shareholder, a worker, the owner of one of the machines, to be paid for the work you do, and also to participate in the equal division of the net profits, you have only to become a member of the Syndicate and take twenty \$1.00 shares which will cost you twenty dollars.

6. The Syndicate furnishes its own yarn and knitting machines and supplies these machines and yarn to its shareholders FREE. By this plan it can readily be seen that the Syndicate will not only benefit its shareholders by way of dividends, but it will be the source of a regular employment and income at their homes.

7. The Syndicate is fully prepared to keep its shareholders supplied with yarns for doing the various kinds of work required, and it is also in a position to dispose of all goods knitted from these yarns through large jobbers and to the general trade as fast as it is sent in by its shareholders.

8. We have a factory for the purpose of manufacturing machines and yarn only, all knitted goods being made by our shareholders at their own homes, no knitting being done on the premises. It will be seen that to manufacture goods on so large a scale it would be necessary to have a number of knitting factories, which would mean the investment of thousands of dollars, besides taxes, insurance and interest on same. We can, therefore, not only manufacture goods cheaper and in larger quantities, but down the combines and pay our shareholders a handsome dividend semi-annually.

9. The machine furnished is a high speed family seamless knitting machine, and will last a lifetime with ordinary usage. In fact the Syndicate will guarantee the machine for twenty years. It will knit from the finest imported yarns to the coarsest of Canadian wool yarn the same as hand work, but eighty times faster. With each machine a full outfit is sent, together with a supply of yarn to commence at once. The guide accompanying machine is so plain and the operation so simple that any one of ordinary intelligence can make any of the knitted goods required by the Syndicate such as Gents' Socks, Ladies' Stockings, Golf and Bicycle Hose, Knicker, Leggings and Toggles for Children.

10. The prices for knitting these goods are:—Socks, \$5.00 per 100 pairs; Ladies' Stockings, \$10.00 per 100 pairs; Gents' Golf and Bicycle Hose complete, \$10.00 per 100 pairs; Leggings and Footless Bicycle Hose, \$5.00 per 100 pairs; fine Toggles, \$5.00 per 100. All these goods are quickly made on the machine and at these prices any person willing to work can make good pay, much more than clerking in store, working in shop or laboring on farm. Shareholders can devote all or part of their spare knitting, both at all times they are expected to work for the interests of the Syndicate.

11. All persons willing to accept and honestly knit the yarn entrusted to them, and to return made goods promptly to the Syndicate.

12. Each person desiring to become a shareholder of stock, participating in the semi-annual dividends, and to do knitting for the Syndicate, receiving pay as fast as work is sent in, must cut out the following APPLICATION FORM, sign the name to it, fill in address and reference, and enclose it with Express or Post Office Money Order for \$20.00 to the Syndicate's Secretary, Stuart S. Arnoldi, 36 Wellington Street, Toronto, Ontario, to whom all money orders are to be made payable.
