CURREY CASE WILL GO TO SUPREME COURT OF CANADA ON AN APPEAL

Mrs. Currey Will Carry Case to Highest Canadian Authority on Appeal from New Brunswick Supreme Court.

The last of the Currey separation suit is yet to be heard. Mrs. L. A. Currey, the plaintiff, in one of the suits and the respondent in another, is appealing to the supreme court of Canada from the decision of the supreme court of New Brunswick.

Over a year and a half ago Dr. Currey sued his wife for separation on the grounds of cruelty. Mrs. Currey commenced cross action for separation immediately after this on the same grounds. The cases were heard together before the late Mr. Justice Gregory and on account of his illness which recently terminated in death, the hearing was continued before Mr. Justice McKeown recently appointed to the bench.

An appeal was taken to the supreme court and at the last term Chief Justice Barker and Justices McLeod and White handed down judgments reversing the decision of the trial judge in Mrs. Currey's case. Justices McKeown, Landry and Barry upheld the decision of the trial judge and the court being evenly divided, the decision stood.

The Supreme Court act did not mention Divorce Courts, while it did make mention of appeals from other inferior courts, such as county courts where the amount claimed was \$250 and upwards; Probate Court where the amount in controversy was \$500 and the Exchequer Court.

Mr. Mullin in reply urged that where the case was clear, as it seemed to be, that an appeal would not lie to the Supreme Court of Canada, Dr. Currey should not be put to any expense. If the security was allowed and the case settled on appeal he would be put to great expense.

HAD HIS TOE CRUSHED UNDER WHEELS OF THE FAST BOSTON EXPRESS

Frank Alward of Moncton Met With Painful Accident in Union Depot—Taken to the Hospital.

Frank Alward, who claims to hail from Moncton, met with a painful accident just before the departure of the Boston Express from the Union Depot at 6.40 last evening. The exact manner in which the accident occurred is not known, as the first intimation the crowd in the station at the time got of the occurrence was when Alward's cries of pain were heard, and he was noticed lying upon the track, almost at the west entrance to the station, immediately after the train had pulled out. It was at first thought that the man's foot was completely crushed, and a call was sent for the ambulance.

He seemed to suffer intense agony and his groans of pain caused a large crowd to gather. The injured man finally lapsed into a semi-conscious state and remained in such condition until the arrival of the ambulance when he was conveyed to the General Public Hospital.

Upon examination it was found that apart from a badly crushed toe the man's foot was otherwise uninjured. The injury, however, seemed to be exceedingly painful as Alward at times would fall into fits of raving. He claimed to belong to Moncton and is about 25 years old.
