to Health by Lydia kham's Vegetable npound — Her Own Story.

I was taken with severe pains in my back so bad that I could not get up or scarcely move without pain, and my periods were painful. My husband called in a good doctor and I was under this care for some time, but he did ms little or no good. Great of mine told me to Pinkham's Vegetable is he had been greatly I began taking it and, and my periods became Since then I have had
