WOMEN'S CHRISTIAN TEMPERANCE UNION.

The regular meeting of St. John W. C. T. U. was held in Orange Hall, on Tuesday afternoon. Mrs. Barker led the devotional meeting and gave a very inspiring message.

It was decided to resume our weekly meetings, every Tuesday, instead of semi-monthly, as during the summer. A circular letter from our Dominion, Supt. of Scientific Temperance Instruction was read and discussed, then laid aside until after Provincial Convention, which meets at Moncton on Oct. 10th. Delegates to Convention from St. John W. C. T. U. are—Mrs. Seymour, Supt. Evangelistic work; Mrs. R. D. Christie and Mrs. W. H. Humphrey. Our superintendent of W. C. T. U. World's Missions reported our offerings for this year, in dollars. Resolved, that the time for bringing in petitions be extended one week. By-laws were amended and other routine business conducted, after which the meeting closed with Mizpah Benediction.

When Capt. Gillman of the ill-fated steamer *Malina* was killed by the explosion, St. John W. C. T. U. sent a letter of sympathy to his widow, who was ill in England at that time. Several weeks ago Mrs. Smith received a reply thanking us for the interest taken and expressing Mrs. Gillman's grat-

titude for the flowers we had sent for her husband's bier. She also asked if we would kindly remember his birthday, and place flowers on his grave for her. On Wednesday last a number of W. C. T. U. ladies visited Fernhill and complied with her request. We are much indebted to Mr. Walker of the Seamen's Mission, who accompanied us and assisted in the decoration. He also took several photos of the monument and surroundings, which will be forwarded to the widow in far-away New Zealand, giving her a glimpse of the hallowed spot where her husband rests under a northern sky.
