and lily of the valley. The couple were married under a bower of ferns and apple blossoms which were nicely arranged by the young lady friends of the bride.

After the ceremony by the wedding party motored to the home of the bride's mother, where a reception was held. The house decorations were of white lilies and lily of the valley.

The theme is distinctly modern and the personality of the cast is a strong drawing card. It is rather a turnover to have Leon Barry as the hero after his rôle in "The Shielding Shadow," but he makes a very attractive lover and anyway I liked him better than Ralph Kellard.

The scenes in the first episode take place on ship-board. Peter Hale is returning to America when he receives a wireless message relating to his father's will. On the ship Peter has been much interested in a lady and he learns that she is also interested in him.

The cast is as follows: Mollie King, Phillips Brewster, Leon Barry, Bridge Bentley, Ralph Stuart, Dick Amessley, Gladden James, The Masked Stranger.
