BETTER THAN A DOOR PLATE.

THE LETTERING IS A NOVELTY.

No one will walk over it without seeing the name.

Our system of lettering wire mats is fully covered by Letters Patent and all infringements will be prosecuted.

FARRAR'S W & L MAT

Has the best scraping surface of any mat manufactured.

We use the best Galvanized Steel wire that money can buy. Wires are woven bracing each other and cannot flatten or get out of shape. We use the heaviest and strongest border of any flexible wire mat made. Metal corners protect the corners. A sample of our goods will convince you that

THEY ARE THE WORLD'S BEST PRODUCTION.

A WIRE MAT

With your name in White Letters is something that is bound to be noticed
