

GIANT, ADMITS HE CANNOT EVADE CRIMINAL INSTINCTS

Detroit, April 1.—A slant-browed, heady-eyed giant—six feet five and a half inches tall—stood before the bar in federal court yesterday and argued with Judge Arthur J. Tuttle that he could not "go straight" because he had been marked at birth with the sins of his fathers.

He was sentenced to five years in Leavenworth Penitentiary as Harry Wylie, alias "Oklahoma Slim," but admitted that Wylie was not his real name. His crime was the beating of a local taxicab driver and fleeing to Toledo with the driver's machine.

Served in Six States.

"I've served time in Pennsylvania, Indiana, Iowa, North Carolina, Idaho and Illinois," he told the court. "I can't reform. Badness is bred in my bones. I believe in heredity. I've been convicted for killing, bigamy and half a dozen other crimes."

After receiving sentence, Wylie told Judge Tuttle he had made a mistake

in sentencing Harry Demasque, one of his two partners, to two years in Leavenworth.

"Demasque is innocent," Wylie said. "He was forced into this thing at the point of a gun."

"Do you mean to say," the court inquired, "that a man can be forced to commit crime at the gun point?"

"Well, if I met you some dark night with my hands full of guns, I guess you'd do what I told you to," Wylie responded.

Judge Not Afraid.

"I wouldn't be afraid of you," Judge Tuttle retorted. "For men who go out at night to hold up people with a gun are cowards, every one of them."

Jack Harper, the second companion of Wylie, was sentenced to Leavenworth for four years. Wylie, when arrested in Toledo, had several of the bonds stolen in the sensational Toledo mail robbery in his possession, but evidence of complicity in this crime could not be placed on him.

WOODSTOCK OUTLOOK FOR SUMMER GOOD

WOODSTOCK, April 3.—The outlook for sport this summer is at present very good. Already a city baseball team and a football circuit have been in operation. There are to be W. F. football teams, and the possibility of a soccer league in the schools. Then Tuesday night two football leagues will be formed. Last year the league was composed of teams from the business section, but this season it is the intention to expand and have both a business and an industrial team.

The Soul of the Advertisement

Granted an arresting headline, the art of writing a retail advertisement is just the ability to say one's say intelligently, in logical order, and, above all, naturally.

No "literary gift"—no flowery language—is necessary. The best copy is the earnest, over-the-counter talk you would give to a customer.

In other words, put yourself—your soul—into your writing.

Grammar is useful, but not indispensable. It doesn't make or break the advertisement. It is your own earnestness and conviction that makes people believe and respond to what you say.

You will find, as you devote more attention to your advertising, that it will return you dividends of pleasure as well as of profit. As time passes, customers will notice an omission and speak to you about it. This experience is not imaginary. It is a fact—as many merchants and publishers will testify.

One of the most enjoyable things you can do is to spend an hour or so a few evenings a week thinking out a well-balanced daily newspaper advertising campaign for your store and your merchandise. And, having thought it out, carry it through regardless of other people's opinions or whims.

You have three of the best trading months ahead. Do, then, as we suggest, and watch results.

CHAMPIONSHIP WILL BE DECIDED TONIGHT

Vancouver and Ottawa Teams
in Final Battle This
Evening.

Vancouver, B. C., April 4.—The Vancouver Sun this morning says: "It is fitting that it has taken five games to decide the Stanley cup world's championship, because both leagues have enjoyed most successful seasons and the competing clubs for world honors have demonstrated that there is naught but class in their performances."

"Vancouver will go into tonight's game favored to win for the battle will be won by P. C. H. A. rules."

"The championship being won or lost, but also holds an item of about \$200 more to each man on the winning squad—the difference between winners and the losers division."

be a settlement of the controversy in the near future are universal. Lloyd's declined to accept bets offered during the week that peace will be brought about before August.

Outwardly conditions have not improved. There has been no cessation of warfare in any part of the disturbed districts, and the trouble is spreading to Ulster.

Encouraging Factors.

The factors serving to stimulate the optimistic view of the situation are the frank admission of Mr. Lloyd George of the Government's failure to solve the Irish problem, the appointment of a Catholic viceroys; Eamonn de Valera's latest pronouncements, which are interpreted as showing the willingness of the Sinn Fein for which is deemed a reasonable compromise; Britain's internal troubles, which are declared to be intensified by the coal strike; the repudiation of the partition act by Southern Ireland, and the admitted difficulty of establishing the Ulster Parliament.

May Arrange Truce.

Government circles do not conceal their anxiety over the prospect that the Sinn Fein will sweep Southern Ireland, and win an overwhelming majority of the seats in the southern parliament. It is believed that the Sinn Fein are co-operating in the north, the task of establishing the Ulster parliament is being hastened.

Many persons continue to express the belief that the Government will abandon its attempt to establish the parliament and endeavor to arrange a truce before the date of the elections.

"I am completely assured here that the Sinn Fein would be willing to negotiate peace on the basis of a status of full dominion. A rumor that the Sinn Fein have appointed a committee to negotiate with former enemy countries is denied.

VARIED COMMENT.

DUBLIN, April 3.—The Freeman's Journal, commenting today on the appointment of Lord Edmund Bernard Talbot as lord lieutenant and governor-general of Ireland in succession to Viscount Grey, says it is to be claimed as a recommendation of the Sinn Fein is a Catholic. The newspaper adds: "But it is an insult to Irish intelligence to think that fact will insure a welcome from the Sinn Fein."

For fifteen years the new viceroys has been the subject of a campaign of the anti-Irish forces in England."

The Freeman's Journal says it thinks the motive of the appointment of Lord Talbot was the desire of British Lord George to keep the Vatican in good humor, but officials here declare a likelier explanation is that the viceroy is appointed for the role of Ireland, and therefore, it was necessary to appoint a Catholic whose political record would render him agreeable to Ulster.

A Thankless Task.

The Irish Times congratulates Lord Talbot on his courage, and says: "Under happier circumstances, he would give him a hearty and unreserved welcome. Unless sanity and patriotism were handed to the Lord Edmund will have a thankless and ridiculous task in summoning a parliament which will never meet, and another which will be disowned by the large majority of its electorate. Nevertheless, his proclamation will unlose a fresh storm of violence and anger in our distracted land."

The Irish Independent remarks that Lord Talbot is a strong Unionist. "One does not know what to expect of the new regime," the newspaper says. "One thing is certain—it cannot be worse than the last."

The Independent says it welcomes the change, because it believes it will inaugurate a new era of peace and harmony in Ireland, the chief secretary for Ireland.

RAIDED COTTAGES.

DUBLIN, April 3.—A writ of habeas corpus was granted by the king's bench court yesterday for Thomas Mulcahy, a Dublin, Irish Republican, who was sentenced to death by a court-martial for leaving war on the King's forces.

A patrol of crown forces was ambushed yesterday in the vicinity of Rathfarnham, County Mayo. One of the attacking party was shot dead; another was badly wounded, and one prisoner was taken. No casualties were suffered by the soldiers.

One constable was seriously wounded yesterday when he and six other constables were ambushed near the town of Kells.

LOCKABOUGH IS NEW
AMATEUR CUE CHAMP

DETROIT, April 3.—E. W. Lockabough of Lindenwood, Ill., won the amateur three-cushion billiards championship here last night by defeating W. R. Brewer of Chicago in the final game of the tournament, 50 points to 32, in 77 minutes.

Lockabough, who succeeds William Huey of Chicago, to the title, played a brilliant brilliant game. He was decidedly off form in the deciding break. Lockabough's high run was 7, Brewer's 6. Lockabough also holds the high run for the tournament, a 10, made in his first game.

NOVA SCOTIA MINISTER
ON HIGHWAYS EXONERATED

Hon. H. H. Wickwire Not to Blame, Says
Clerks Royal Commission.

Halifax, N. S., April 4.—Canadian Press.—The report of the royal commission on the highways inquiry in Nova Scotia, which will be handed to the provincial Government today, finds that Hon. H. H. Wickwire, minister of highways, was not to blame for the situation of the highways board, was not only not to blame for the situation of the highways board, but he actively promoted a situation of antagonism between the minister and the board.

The contractors were overpaid, but the responsibility for the overpayment should not be thrown on the minister or the provincial auditor. There was no evidence of dishonesty on the part of any minister or member of the Government or highways board.

GOOD DEMAND FOR OATS

Ready Sale Expected For Live
Hogs This Week.

Not in the past five years have egg prices reached the levels that were set at the local market on Saturday. Wholesale eggs sold for 25c and 26c per dozen, and retail 27c and 30c per dozen. There were large supplies offered, and there appeared to be a good demand. Officials stated that they expected these quotations would be the ruling ones for this week.

A rather good demand for oats at the square today was responsible for a slight jump in the price. They bring from \$1.50 to \$1.55 per hundredweight and 55c and 52c per bushel. There was a fairly large supply.

There were 80 loads of hay weighed at the square last week. Buyers indicated that there would be a good demand this week. Several loads were sold today, but prices remain unchanged. Timothy brings from \$22 to \$24 per ton and clover \$21 and \$23 per ton.

Although there were heavy supplies of potatoes on Saturday there was no reduction in prices.

Live hogs will find a ready sale all this week, according to local buyers. They asserted prices would be in the neighborhood of \$13.50 and \$13.75 per hundredweight.
