WANT AD HOROSCOPE
JULY 26.

Naturally people with this birthdate have the most wonderful intuitive powers and can fortell the future with keen insight. Many of the best and greatest people the world has produced were born under this sign, philosophers, statesmen, writers and especially men and women who have power to sway public opinion.

All the astrologers say that Leo men and women are invincible if they will learn the pathway of silence. They bear up under discouragement and dangers with great fortitude. Their weakness is their passionate nature, being quick tempered, impatient and impetuous. When angry it seems as if they would tear everything and everybody to pieces.

Learning self control, they become giants of reserve force. This time will favor the advertising of mercantile interests through the Want Ads. Occupations under beneficent ruling are seamstresses, domestic servants, stenographers, nurses and bookkeepers.

Removal Notice
