TESTIMONIAL TO REV. W. CUNNINGHAM,  
D. D., EDINBURGH.

In the month of January a number of Dr. C.'s friends waited on him, and presented to him, duly vested, the sum of £6,500 sterling, and £400 or £500 more handed to him in cash. Well might he say that amazement had been the feeling produced in his mind. All who know him, however, will agree that he is well deserving of such a gift. He has been the life of the New College, and there are few men now alive to whom the Free Church has been under greater obligations.

TORONTO.

On the evening of Wednesday, 12th January, a Soiree was held in the U. P. Church, Gould Street, when a number of excellent addresses were delivered to a deeply interested audience. Owing to the unfavorable state of the weather the attendance was smaller than usual, but the evening was very pleasantly and profitably spent. On the following evening the Soiree of the Sabbath School and young people was held. Appropriate and eloquent addresses were delivered by Messrs. Donald, Hall, and Malcolm, Students, and a few re-

marks were made by Mr. Kerr, the excellent Superintendent. There was a large attendance, and great delight seemed to pervade the meeting. On both occasions there was exquisite music by the choir under the leadership of Mr. Douglas, and Mr. Reynolds kindly lent admirable assistance with an instrument.

NORTH BRANT.

The first annual Soiree of the U. P. Church, North Brant, was held in the new Church, on the evening of January 19th. The pastor of the congregation, the Rev. R. C. Moffat, in the Chair. There was a very good attendance, and certainly the kindness of the ladies in freely providing for the body, was worthy of all praise. After the Annual Report for last year had been read, short and practical addresses were delivered by Messrs. G. Lamont and H. McNally. The meeting was then addressed at considerable length by Mr. Moffat the Pastor, upon the "Power of little things," and by the Rev. Walter Inglis Riversdale, upon "Mission life in South Africa." Between the addresses, the young people present entertained the audience by singing most creditably pieces of sacred music. The proceeds have cleared off the most of the debt upon the building. The blessing being given, the audience then separated, thankful for the past, cheered for the future.—*[Communicated.]*
