

organization of the class for which their applications were originally accepted.

No uniform is worn by those on probation.

They should come provided with dresses which may be washed, a good supply of plain underclothing, six regulation white aprons, and a bag for soiled clothes, all garments to be distinctly marked with the owner's name. They should not bring any outside garments they expect to use on duty after admission to the School, as the School uniform often renders such articles useless. This uniform must be worn by all pupils when on duty, and is obtained at the Hospital, at the pupil's expense.

Accepted applicants must visit a dentist and procure a certificate that their teeth are in a healthy condition before they can be received into the School.

Inquirers who find they cannot comply with the conditions herein set forth should not write further, *as no exceptional cases can be considered.*

All correspondence should be addressed.
