

# GIFT=WORTHY FURS

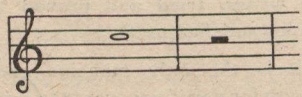

AT any time furs are a good investment, and the richer the fur the better the value you obtain. Especially at Christmas time do the beauty and desirability of the best furs appeal to those who can afford them.

Our artist has reproduced a fur set of fine natural Canadian mink, including a 90-inch long, double-end, throw-over scarf, with natural tails as ornaments, and a 5-stripe, extra large Imperial muff to match. Our price for this set is \$150. Among our costly furs are included sets of Russian and Hudson Bay Sable, Chinchilla and Ermine, as well as a large number of beautiful sets in Canadian Mink.

*We will be glad to send a copy of our Illustrated Catalogue to any requesting it. Ask for Catalogue "C. C."*
