Have you considered this Leadership Profession?

The qualities of leadership show up in men who have chosen Chartered Accountancy as their profession, since those who are resourceful, have a keen analytical sense, enjoy meeting and working with people and can stand strong on their convictions, are the business leaders of today. As a Chartered Accountant you may apply your talents in a public accounting practice, in industry, education, or government. Each avenue provides rich re-

wards for the diligent, for the Chartered Accountant is a key-man in today's business and financial world.

Among the many firms of Chartered Accountants who employ CA students are those participating in this advertisement. These firms and others are interviewing on your campus. The names of most local CA firms are listed in your yellow pages under the heading, Accountants—Public.
