Memorandum

Indian Reserves set aside as Fishing Reserves in  
Manitoba, Saskatchewan and Alberta.

Province of Manitoba.

No. 61 A, Situated at Clear Lake, Manitoba in Township 20, R. 19  
W of I.M. reserved and set apart as a Fishing station for  
the Indians of Keeseekoowenuis Band by O.C. 8th July, 1896.  
An addition of 320 acres was purchased last season, being the  
East 1/2 of Sec. 8 P. 88004.

No 62A, Surrendered, consists of Sec 24, Tp 20 R. 24 W of I.M.,  
set apart as a Fishing station for the Indians of Way-Way-See-  
cappo Band by O.C. 19th October, 1894. The Indians were to  
surrender a portion of their original Reserve in payment  
for this. They afterwards declined to do so. A surrender  
was then taken before it could be disposed of. This action  
seems to confirm the view that the title to this Reserve  
was in the Indians. P. 114513
