

As Secretary to the Canadian Office here I can still look after the Archives' work and in fact much better than at present. My letters remain unacknowledged by the present secretary and when I write a second time, I get a reply to say that my first communication is mislaid and he does not know what I am talking about! My pay as Archivist would be no much money saved.

With kind regards,

Yours sincerely,

H. P. Biggar.

Dear King,

When Lord Strathcona left for Canada we Canadians here in London thought it meant that we should have a new Secretary for Canada. Lord Strathcona has returned and we still have a dis-
tressed Welshman to represent us.
