Sir

I have to acknowledge the receipt of your letter of the 13th inst. and with regard to the medicine supplied to Indians, I beg to inform you that there seems to be no reason why the missionaries and Agents should not furnish lists of the Indians relieved by them; and such lists will, in future, be accepted by the Department.

The expenditure for a water tank for Mr. Spence's office was not authorized; and no such unauthorized expense should

A. W. Towell Esq.
