

Canada's Finest Train.

The lighting system is of the new and improved "Stone" Electric type, used in the palatial royal car of the late King Edward, with fixtures, reflectors, etc., of special design made to correspond with the furnishings and equipment of the car, giving a novel and beautiful effect.

The dining room of unusual length, is of African mahogany of the richest type with a design of Marquetrie, the floor being covered with rich Wilton carpet. The 30 chairs, are of Mexican mahogany, upholstered with black leather. The windows of the dining room are very wide; the tops are art glass. The ceiling of these cars are a delicate green, giving a restful, harmonious effect.

Electric fans have also been installed to insure a uniform and cool temperature in the warmest weather.

The kitchen and culinary offices have been fitted with the latest and most improved devices to insure

Interior First-class Coach.
