

GRANBY TOWNSHIP
Sabbath School Association Report

FOR THE YEAR ENDING

October 31, 1871.

Your Committee has met twice since the date of the close of the last Annual Report, and an attempt was made to hold a third meeting, but owing to adverse circumstances, the attempt proved a failure. Two public meetings only since the Annual Meeting have been held, viz.: at the Roe District Union School on April 11th, which was well attended by parents and scholars. The subject down for discussion was "The desireableness or otherwise of the scholars committing a portion of their lessons to memory." But the speakers dwelt chiefly on the general work of the Sabbath School, and how the Association might aid and assist in such work. The other was held in the School House in the Grandboro District, on the last day of August. But owing to very unfavorable weather on the previous Sabbath, the notice given was very limited, and the weather on the day appointed not being good, the attendance was very small. Addresses were delivered on the general work of the Sabbath School and the objects of the Association by the Chairman, Deacon Minor, and the Secretary, which were well received.

The Schools in the Association appear to be progressing silently, but it is hoped effectually in their work.
