#### **HOLSTEIN-FRIESIAN NEWS**

Farm and Dairy is the official organ of The Canadian Holstein-Friesian Association, all of whose members are readers of the paper. Members of the Association are invited to send items of interest to Holstein breeders for publication in this column.

wwwwwwwwwww A PROTEST AGAINST HIGH FEES J. Tannahill, White's Station, Que.

A PROTEST AGAINST HIGH FEES J. J. Tambill, White's Bation, Que. I have just received my notice of the shared most range of the Batistin Freisan the share of the share of the share of the licks gives colles that he will mark from increase the frees for import certificates. It has been rumored down here that it it he intention to increase them to 850 for a share and 850 for a mails. I would we have a share and 950 for a mails is a share work of the share of the share of the share have a rever given me for having import fees have a rever given me for having in other doend with the share designed to the share of the share of the share of the have a share of the share of the share of the share a share of the share of the share of the share a share of the share of the share of the share a share of the share of the share of the the share of the share the share of th

Boundation stock irom toren. Is cover as would like soon for railing the fees we would like soon for railing the fees we would like soon for railing the fees we would like man who is looking for a charge ball who goes to the United States. It is not the man who is looking for a charge ball who goes to the United States. It is the dwn the soon the state the provide the dwn the soon the state to unrehase a ball. Why should he be the states are soon to be states to unrehase a ball. Why should he be the states are soon to be states to unrehase a ball. Why should he be the states are discussed by the soon the states are soon to be states to unrehase a ball. Why should he be they are perfect. For instance, in they are perfect. For instance, in the report of the Meeord of Performance reports with the report of the American Send Official tests we have not be the states and if a many header from a high to states and if a many header for a high state. The United States is the only place were not be the states and if a many header from a high to states and the beader for the merican state in this matter head to the state and the beader for the merican be header. The United States is the only place were to be the states and the beader for the merican be header. The they would only tell us. I think, that may the probably they are analysis. The united header for a state is the angement is ball would be a state would and it would be a formation the argument of the place were as a state of the place were based to be the state would be a sta

of us their offspring. I suppose that this matter has two sides and I would like to hear the arguments for increased fees if there are any, other than that it is to make us small breeders buy our foundation stock in Western

buy tomis it is to make us small breeders buy contario. The second second second second second second orbario. The maximum second secon
