

BUILDING NOTES.

The modern nine-story office building for the Federal Life Assurance Company, Hamilton, Ont., will be a very handsome building. The contractors, the Canadian White Company, expect to have it completed by September 1st. The new Winnipeg Theatre, for the Walker syndicate, will be one of the largest and handsomest theatres in Canada. The Canadian White Company, who have the contract for its construction, are rushing work to have it completed for the opening of the Autumn season. The same firm have in hand the construction of the six-story storage building for the Montreal Terminal Warehouse and Cartage Company, on Grey Nun street, Montreal. It is of steel construction and absolutely fireproof and is expected to be completed by August 1st. The Canadian White Company are also the contractors for the power house for the Montreal Street Railway Company. When completed this building will rank among the most modern on the continent. The new Linton Apartments, corner of Sherbrooke and Simpson streets, Montreal, are also being constructed by this company. This building will be ten stories high and constructed of terra cotta and light brick. It will be completed ready for occupancy by June 1st, 1907.

Legare, Ophir & Cie, contractors, Quebec, have registered their business.

The Pacific Coast Pipe Company, of Vancouver, have recently shipped 10,000 feet of 18 inch wire wound wooden stave pipe to the city of Fort William, the pipe built to stand a regular pressure of 130 lbs.

Stackpole
Patent Improved

Street Sweeping Machine

Is the Standard
of Perfection

Because no sweeper so effectually does the work for which it is designed as "The Studebaker." It Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical precision. It Wears Well. "The Studebaker" has the smallest number of working parts, and has less wearing than any other sweeper made. It is free from all unnecessary complications. With reasonable care it does not get out of order. Send for complete descriptive catalogue.

**Studebaker Sprinkler**

(PATENT IMPROVED.)

Does not clog or get out of order. Greatest width of spray Can be graded from driver's seat to any volume. We also make an . . .

IMPROVED VERTICAL SPRAY

for Pavements
