CAR CRASHED INTO MOTOR HOSE WAGON AND FIREMEN HURT

Lieut. Dick Lambert and Fireman Hamelin and Paube were taken to hospital.

An accident which might easily have assumed more serious aspects, occurred early Sunday evening at the crossing of Chabousses Square and Inspector Street.

Fireman Paube, who was taken to the Royal Victoria Hospital, appeared to be the most seriously injured of the fire fighters.

Fireman Labrie, O'Brien and Berg were the only three of the hose wagon crew who escaped injury.

The fire fighters, when the accident occurred, were responding to an alarm from the box at the corner of Colborne and Wellington Streets.

Chief Lussier hurried to the scene of the accident where they learned their presence was not required at the fire.

Over thirty years ago he removed to Montreal, where he soon began to take an active part in Jewish communal affairs.

The fact that the successful business man is an advertiser is usually incidental. He is an advertiser because he is wise and possessed of good, sound business sense and an analytical mind. At some time or other he came to the conclusion that advertising could be made one of the mightiest factors of his business organization, and having arrived at this conclusion, he just naturally went to it and advertised.
