

Make More Money

Health and Energy Mean Prosperity.

You can't add to your income while you carry about that outfit of weak nerves.

Bodily strength and vigor is the principal stock of about 19 men out of 20.

The most profitable investment you can make is to increase this capital stock, and you can do this if you will use electricity as I apply it, a few hours every night for a while, and build up your nerve power.

Electricity is nerve power. That fact was proved years ago, and plenty of nerve power means abundant strength and energy.

"Look here," said a man in my office last week, "your Belt is better than any medicine chest. It's better than having a doctor right in the house all the time. My wife uses the Belt in the afternoon, and I use it in the evening. We wouldn't part with it."

Yesterday a man wrote in: "I suffered for ten years, and your Electric Belt cured me. My father was on a sick bed when we got the Belt, and the doctors had given him up. He used the Belt, too. In four days he was up and walked seven squares. He is now running two hotels and manages both himself."

"That's coming pretty strong," you say. Call at my office and we will show this evidence, and more, too—all going to prove that our statements about the Dr. McLaughlin Electric Belt are conservative, compared with the actual facts.

Don't stick in that old rut. Help Nature along by the intelligent use of this wonderful force, Electricity, and you can overcome your bodily weakness, your pains and aches, double your strength and vigor, double your income, and add to your balance in the bank.

Below I give you specimens of the kind of letters I get every day by the score from people who have used this grand remedy.

"Before I commenced wearing your Belt, I couldn't take a drink of cold water, it would distress me so, but now I can eat and drink anything that is set before me. There is no ache or pain of any kind about me. I haven't felt so well for ten years, and I claim it all from using your Belt."—M. McKENZIE, Corliss, Que.

"I am well satisfied with your Belt. I feel well, and can work without being fatigued and done out like I used to be."—JOSEPH O. CARTER, Londesboro, Ont.

If you are sceptical, all I ask is reasonable security for the price of the Belt, and

WHEN YOU ARE CURED PAY ME.

The Dr. McLaughlin Electric Belt cures Indigestion, Constipation, Weakness of the Liver and Kidneys, Rheumatism, Neuralgia, Lumbago, Sciatica; overcomes the effects of exhaustive habits—every sign of weakness in men or women. It puts new Life and Energy into the Nervous System.

Ginger up! Use this Belt and become a Man! Call at my office, or send me this coupon, and I will mail you my 84-page FREE BOOK. It points the way to Health and Prosperity.
