DOES IT PAY

to carry Life Insurance? There is only one
answer, either from a financial or peace of
mind point of view. The ever-increasing
amount of life insurance written, not only by
our Company but other representative insti-
tutions, is an evidence of its merit.

If it is good business to carry Fire Insurance
—and every sane business man believes it is
—then it should be equally good business to
carry Life Insurance. A Fire Policy may
become a claim, while a Life Insurance Policy
must either by death or maturity.

Write us to-day, stating your age, whether
married or single, and we shall be pleased
to forward to you particulars of a policy best
suited to your needs.

A SPECIAL SERVICE

Many men and women reluctantly assume the duties of Treasurer or Trustee of
Charitable, Social, Fraternal, Educational, Religious or Civic organizations. The duties
while responsible, may not require the full time of a salaried official. There are many
advantages in the employment of a Trust Company in such cases: it is permanent, experi-
enced and responsible; it has unusual facilities for supervision and audit and for the safe-
guarding of books of record, documents and funds.

Consult us about the many phases of this Special Service.
