Superintendent Seeley of the Alexandria mine, on Lemon creek, owned by D. K. Macdonald of Spokane, reports the crosscutting of the ledge at a depth of 60 feet. It shows five feet of well mineralized quartz, with good gold and silver values.

on the Young Dominion, on Ten Mile, owned by himself, D. Weir and A. Jacobson. He has driven 35 feet and says the showing has greatly improved. The ledge is six feet wide, with a paystreak of three feet of good ore. The galans is over 150 curves with added galena is over 150 ounces, with added values in copper and gold.

Rosebery is to have sampling works

Mother Lode near Greenwood is now down 183 feet, all in ore running from

In the police court yesterday Police Magistrate Jordan fined Benjamin Fensel 27.40 in gold. The pulp from this assay gave some fine showings of free gold

IN OUTSIDE CAMPS and the concentrates assayed \$355.87.
A sample from the same ore with the galena yielded \$125.50. A heavily mineralized streak in the center gave \$177.36.

EAST KOOTENAY.

Wellington Kinnee of Windermere when in Golden the other day gave the following information about deals with properties in which he is interested in the Windermere district: The Sitting Blocan Continues to Improve—The
Boundary Country Is to Have a
Three Compartment Shaft—Assays
From Camp McKinney.

From all parts of the adjacent camps
the news comes that mining developments are increasing, and that more and more claims are passing into the shipping stage. Rosebery is to have a new

the Windermere district: The Sitting Bull and Mary G. groups, located on Boulder creek, a tributary of Horse Thief, and owned by Messrs. Johnston, Stark and Kinnee, have been bonded to T. Starboard for \$50,000. This group is owned by Messrs. Abel, Kinnee and Scott. The Alice, owned by Messrs. J. Johnston and Kinnee, has been bonded for \$5,000 to R. R. Bruce. This claim adjoins the Mary G. groups, located on Boulder creek, a tributary of Horse Thief, and owned by Messrs. Johnston, Stark and Kinnee, have been bonded to T. Starboard for \$50,000. This group is owned by Messrs. J. Johnston and Kinnee, has been bonded for \$5,000 to R. R. Bruce. This claim adjoins the Mary G.

REPUBLIC IS LIVELY.

It Is Visited by Experts and Mining

REPUBLIC, Wash., Jan. 9.-[Special.]over the K. & S. from Sandon for the Among the arrivals last evening was James L. Freeburn of Tacoma, one of TONS. the most competent and best known of the mining experts. With Mr. Hassings and experts and the recently examined the Jumbo mine in Rossland. Twice during the past summer he has examined the Republic mine, and predicted its great future. He is here on mining business at presthe mining experts. With Mr. Hastings ent. Van B. De Lashmutt and Jean Street,

both Spokane mining men, are in town looking after their varied mining inter-The Whitewater Deep has closed lown.

The Slocan Star has laid off a number of men till next May.

The Last Change shipped 80 tons of cetting close to "semathing." The reserved to the new shipped 80 tons of cetting close to "semathing." The reserved to the new shipped 80 tons of cetting close to "semathing." The reserved to the new shipped 80 tons of cetting close to "semathing."

The Slocan Star has late on a many of men till next May.

The Last Chance shipped 80 tons of ore during last week.

Ore from the Marion is being brought down to the wharf for shipment.

There is a foot of clean ore in the main workings of the Washington.

The Slocan Star has late on a late of the starting and the miners think they are in strong, and the miners think they are getting close to "something." They are making three feet per day.

The Blue Bird, one mile west of town, has run an open cut 20 feet across the ledge, and has obtained assays as high as \$16.17 A tunnel will be started to a st

The owners of the Anglo-Saxon have resumed work on their property. More ore is appearing in the breast of the tunnel, mixed with spar.

Three Forkers expect great things to result from the sale of the Black Grouse group, on the north fork, made by Major Furlong to British capitalists.

George Petty has about a dozen men working on the Monitor, at Three Forks.

A second carload of ore has been shipped during the week.

Part of the Idaho Mines tramway has been carried away by a slide. The road to the mine is also in bad shape, it having been shovelled out for nearly two miles.

The Republic is going steadily along with its systematic work, the values holding out well. When the machinery is in place the mine will be run under full headway.

In the Morning Glory the upper shaft is down 20 feet, the values holding good. Near the southwest corner a tunnel has been started, with the intention to run it as far as the vein goes on the Morning Glory.

A contract has been let to run a 300-foot tunnel on the Caliph, which is said to carry 600 feet of the Morning Glory vein. Workmen are now engaged in erecting the necessary buildings for the winter use.

run from the raise, 80 feet above the main tunnel, to catch an ore chute be-

silver values.

P. Lindquist is working single-handed on the Young Dominion, on Ten Mile, owned by himself, D. Weir and A.

are being made at Brecon, South Wales, are being made at Brecon, South Wales, for the marriage of Mme. Patti two weeks from today, January 25, to Baron Cederstrom, eldest son of the late Baron Claoserdad Cederstrom. The townspeople will decorate the streets, and the mayor and aldermen, in their official robes, will receive the party at the station on the arrival of the train from Craig y Nos, and escort it to the church, where the bishop of Mostyn will perform the wedding ceremony. The bride will be given away by Sir George Faudel-Phillips, former lord mayor of London.

Harvard Gets Another Million. Boston, Mass., Jan. 11.—By the will of the late Henry C. Warren of Camof the late Henry C. Warren of Cambridge, Harvard university will receive property valued at nearly one million dollars. It includes all Mr. Warren's real estate in Cambridge, which is near Harvard college and which will probably be used for college puposes.

## JAPS MAY COME YET THE AMEER IS DYING A PRETTY WEDDING THE OUTLOOK IS BRIGHT

The Aldridge - Tuttle Marriage at Noon Yesterday.

OFF TO SAN FRANCISCO

The Most Elaborate Ceremony Ever Observed in the Kootenays - The Church's Floral Decorations-A Reception at Their Home in Trail.

The marriage of Walter H. Aldridge, manager of the Canadian Smelting works at Trail, and Nancy Elnorah Tuttle, daughter of Dr. and Mrs. Jay Tuttle, was solemnized at noon yester-

ceiling and walls were hidden in a drapery of blossoms. The altar was buried under a profusion of potted drapery of blossoms. The altar was buried under a profusion of potted flowers, palms, and snowblossoms from Spokane mountain, while on the altar were some magnificent bouquets of carnations, orchids, byacinths and tuber-

The bridal party was driven in sleights from the home of Dr. and Mrs. Tuttle to the church a few moments before 12 o'clock. It included Mr. Aldridge and Miss Tuttle, Dr. and Mrs. Tuttle, the parents of the bride; Miss Nettie Tuttle, her sister and maid of honor; J. S. C. Fraser, the manager of the Bank of Montreal, who acted as groomsman; A. B. Mackenzie and Robert Hunter, who were the ushers, and E. W. Ward.

At the Altar. Amid an impressive quiet the bridal Amid an impressive quiet size of the voters' list.

party walked down the aisle of the Voters' list.

In the First ward W. B. Townsend,

In the First ward W. B. Townsend, The bill declaring him elected having become law, Mr. Prentice took his seat today, on the government side, as member for East Lillooet. A government bill to amend the placer mining act was introduced today, reserving placer mining rights to British subjects and to companies incorporated, not merely registered or licensed in the province. It will not affect the rights already acquired by other than British subjects.

Prentice Takes His Seat.

WHAT THEY MUST HAVE.

Order Issued With Regard to Yukoners Going Im.

Victoria, Jan. 11.—The following order has been issued by Superintendent Steele, commanding the mounted police in Yukon: "Dawson, Nov. 18, 1898—The commissioner of the Yukon territory orders that no person will be permitted to enter the territory without satisfying Northwest mounted police of the durch to the altar. Meanwhile the organist, Fred Burrough, was rendering a choral service, which was continued with exquisite effect throughout the ceremony. The party was led by the ushers, Mr. Mackenzie and Mr. Hunter. They were followed by the bridesmaid, Miss Nettie Tuttle, charmingly gowned in Yukon: "Dawson, Nov. 18, 1898—The commissioner of the Yukon territory orders that no person will be permitted to enter the territory without satisfying Northwest mounted police in Yukon territory orders that no person will be permitted to enter the territory without satisfying Northwest mounted police in Yukon territory orders that no person will be permitted to enter the territory without satisfying She was dressed simply in the charmony and the charmony with her blonde beauty. Succeeding them was Miss Tuttle on the arm of her father, and never was there a more attractive bride. She was dressed simply in the charmony with her blonde beauty. Succeeding them was Miss Tuttle on the arm of her father, and never was there a more attractive bride. She was dressed simply in the province.

CHICAGO, Ill., Jan. 11.—Holdup men were working in the stock yards district last night. Nellie Price, a stenographer in the employ of Armour & Co., was held up by two men shortly after leaving work for the evening. One choked her and held his hand over her mouth, while the other took her purse, containing about \$25.

Two highwaymen assaulted George Broderick, a stockman from Miloy, Is., getting his watch and \$10. Andrew Colson resisted a lone robber, who had demanded his money. The robber gave him a vicious thrust with a dirk and left him dangerously wounded after robbing him of his money and watch. Three other cases were reported to the police today.

PATTI AND HER NEW FLAME.

They Will Be United With Great to Spokane.

Besides the train a large and enthusing

They Will Be United With Great
Ceremony.

London, Jan. 11.—Great preparations

Will make their nome in Trail and their residence on smelter hill is all in readiness for them. On their return they will hold a reception when a special train will be run from Rossland for the accommodation of the guests from this

city.

Their wedding presents formed a magnificent display, and it is seldom indeed nificent display, and it is seldom indeed. that any couple are the recipients of such elegant souvenirs.

BEATING THE EXPULSION LAW. Germain Swains Follow Their Sweet-

ernment has met an unexpected countercheck in the recent expulsion of Danes from North Sleswig. Among these expelled were many dairy maids. It is learned that the German lovees of the girls followed them across the frontier and married them and as a result most of them are back in Sleswig as German subjects.

E. W. Marret.

F. W. Maughan of Spokane, traveling agent of the Great Northern Express company, is in the city.

A. S. Goodeve Is Confident That He Will Be Elected.

Says He Will Be Returned by a Very Large Majority-Information

By 5 o'clock this afternoon, the result of the city selection to be held today will be known positively. A. S. Goodeve, who has made such a phenomenally uccessful campaign, is completely satisfied that the poll today will result in his election by the largest majority that has yet been given a municipal candidate

since the city was incorporated.

He gave out this statement last even-

Tuttle, was solemnized at noon yesterday in St. George's Anglican church, by Bev. H. Irwin.

It was a rarely beautiful wedding. The church had been decorated with evergreens and flowers until the very making due allowances for various conmissing due allowances for various conmissing due allowances for various conmissions, such as sickness and absence. the vote in my favor will be much beyond my most sanguine expectations. I am particularly gratified by the number of votes promised me by members of the various labor unions. Many of these man are constantly described. these men are constantly dropping into my committee rooms and are voluntarily tendering me their support. They have given me valuable information and have assisted in every possible way in the canvass. They all recognize the fact

the canvass. They all recognize the fact that I have been in every sense a true friend of labor. I feel satisfied that at the final count of the polls tomorrow night I shall be elected by a very large majority."

The polls today will be open continuously from 8 o'clock in the morning until 4 o'clock in the afternoon. Every British subject, either male or female, over the age of 21, whose name is on the voters' list, is entitled to vote once for mayor, and to vote for two aldermen in each ward in which he or she is on the voters' list.

J.P., will act as deputy returning officer, with George Winters as poll clerk. The voting place in the First ward will be at the city hall.

In the Second ward the polls will be created in Cherles Demonstrate office and

opened in Charles Dempster's office, and the deputy returning officer will be J. O. Belton, while F. C. Law will act as clerk. The polling place in the Third ward will be in Forin's office. H. P. Mc-Oraney will be the deputy returning officer there, and J. T. Vick will act as clerk. William McOnesn, the city clerk
