PALSEY CURE-ALL.

THIS Article is a Celebrated Arcana's Liniment, of extraordinary power for the cure of Outward Complaints and Pains of the Body. Each bottle is its efficacy in the cure of Rheumatism in the Head, Back, Side or Limbs—Stitches in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains—Bilious Colic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly astonishing cures in cases of the most distressing complexion. And we say no more than we have a right to claim, when we assert it will cure in one hour, any of the cases mentioned in this advertisement, and in a short time, a majority of the remaining cases that claim of importance, possessing more than a tythe of the power to relieve and cure as this.

We strictly particular attention to the fact that it does not contain any Mercury, Opium or Spirits in any form. Neither does it contain Cantharides, Turpentine, Vitriol, or any acid, or anything deleterious to the human system, no matter how administered. Therefore the Life Preserving may be given to the most delicate female, infant or invalid, with the most perfect safety, as it is a most powerful, yet safe, Medicine in producing Continued and its attendant evils, but is a powerful Counteractive and Preventive of Disease. It is used in large quantities by Surgeons, and for Sprains and bruises in the human system, and healing action in promoting healthy Granulation. The Pain Killing Balsam will be found to relieve and cure in a short time, in most dangerous and painful cases, and in cases of Local and Constitutional Weakness, Syphilis, and all Diseases and Derangements resulting from Indiscretion,—with Perry Davis and Rogerwing, Dr. Hamilton's Vegetable Pills, Davidson's Balm of Life, and the Reproductive Organs, assisting their structures, tone Strengthening, and the various injuries that are produced in them.

This Work contains an accurate and complete account of the Anatomy and Physiology of the Reproductive Organs, and of daily relative conditions of health and disease. Nor are these the sole contents of the Work; the means of escape, as well as the nature of the danger, are pointed out in such a manner that no one can be misled. Amongst the numbers of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it in numerous complaints, will be found the names of the celebrated Dr. M. T. Gaudissi, Dr. S. L. Mott, Dr. L. Chesseman, Dr. Chilton, Dr. Wilson Brown, Dr. Marvin, Dr. J. M. Moreau, and others.

TESTIMONY of Johnson Burke, a highly respectable citizen of Waterford, New York:—

Dr. G. W. HALSEY:—DEAR SIR,—Before the Forest Wine as the King of Medicines. It has done for me in five weeks what three Physicians failed to do in as many years. In 1849, I became a victim of the Heart Disease and Nervous Affections, which have been growing on me ever since, until I procured your Forest Wine and Pills, and though I had wasted away to a mere skeleton, and had medical attendance night and day, during the last two years I was obliged to keep my house nearly all the time, and I gave up business in consequence of my ill health. I had nearly lost all hope of recovery, my complaint was of that class under which nature sinks and life too soon terminates. Seeing your Forest Wine advertised, I concluded to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, entirely cured, by taking six bottles of the Wine and two boxes of the Pills. I make this statement for the benefit of those afflicted with similar complaints that you are at liberty to publish this. Yours, &c.,
JOHNSON BURKE, Waverly Place, St. Y.

HEMPSTEAD, Dec. 1, 1847.

DR. HALSEY:—A bottle of your Forest Wine and a box of Pills, which I procured of Mr. James Carr, (your Agent for this place,) has done wonders for me. I had been in a state of decline for more than a year, afflicted with a dreadful cough, pain in the breast, general debility, and loss of appetite, I became almost a skeleton, and had been unable to leave my room for more than two days in my friends said me I had not long to live, and that I would die of consumption. I could not obtain any permanent relief from any medicine I had taken, or my physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach much phlegm and greenish matter, and my stools were perfectly black. I then commenced taking the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than two weeks I was about my work. I now enjoy better health than I ever did before, having recovered entirely five pounds of flesh in two weeks, Your Forest Wine and Pills are highly valued in this vicinity, and I owe my recovery entirely to their virtues.—Yours, respectfully,
MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. E. G. Musser, a respectable and well-known citizen of Cohoes, New York, is an evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NERVOUS AFFECTIONS OF THE SPINE, and KIDNEYS.

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most entire success. My wife was badly afflicted with Neuralgia, affection of the Spine and Kidneys, and general Debility. She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of the excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar diseases, may safely rely on its virtues.

Cohoes, March 6, 1850. E. G. MUSSER.

More Testimony from Cohoes.

Dr. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of health by my family Physician advised her to try your Forest Wine. I procured a bottle of Mr. Tarer's, your Agent for this town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.
Cohoes, April 12, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with dreadful disorders, and considered incurable, may be seen in Dr. Halsey's principal Office. The following are some of them residing in this city:—

Mr. Abel R. Smith, 167, Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. The best medical skill answered no purpose. He tried the Forest Wine, and it met his case, and he was completely cured by the use of four bottles and a box of the Forest Pills.

Mr. Jacob Ball, Merchant, in Pearl Street, was for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and four boxes of the Pills.

The remarkable efficacy of the Forest Wine is also striking in the case of the Hon. S. I. Brown, of Rochester, who was cured in a few hours' time of paralysis, by the use of this Wine. Directions and general information as to Mr. Ridge, Directions and general information can be obtained from the Agents, who have not space to insert them here. Many persons who have used the Wine and not writing, and requested to do so, from time to time to call at his establishment. The Wine can now be had, and is warranted by the use of less than a bottle of the Wine and a single dose of the Pills.

The Forest Wine and Pills are now the most efficient and effectual remedies ever discovered for the following complaints:—

Dyspepsia, Heartburn, Costiveness, Liver Complaint, Asthma, Fits, Nervousness and Nervous Debility, Sick Headache, Pain in the Side, Loss of Appetite, Sour Eructations, Complaints incident only to Females, Languishing Weakness, Night Sweats, Nervous Disorders, General Ill Health and Impaired state of the Constitution.

C. F. BAILLARGEON, Priest.

My premises have been infested with Rats for several years, and I have tried various means to rid myself of the annoyance, without success. Having been kindly recommended SMITH'S EXTERMINATOR, I have much pleasure in testifying that its use has been perfectly successful in the total destruction of the Rats with which my premises abounded, and that without the least inconvenience,

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,

FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Testimonial from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being used only in families of the first class.

BOSTON, Feb. 15, 1847.

MR. WM. BOGLE,—SIR,—The preparation invented by you for the hair, has been extensively used in my family and that of my friends, and has decidedly given over all other compositions of the kind. It invigorates and beautifies the hair, and cleans the skin of all impurities, without producing any ultimate deleterious effects. The lovely hair sent to me by Queen Victoria, was dressed with your Hyperion Fluid, the result of many well-known patented compounds.
WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,

A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The Amole is derived from the Soap Plant of California. It is used as an article used by the natives of that country for washing and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have an extraordinary softening effect on the skin,—it soothes and allays irritation, and has a rich, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with it, leaving the skin soft as down to the finest touch. It gives a healthy appearance to the skin, by cleansing the skin from all eruptive matter. Makes clean the pores, gives action to the capillaries, By which all poisonous humors are ejected,—
And a healthy action to the skin restored.
To the tooth, it gives whiteness and prevents decay, it makes the skin soft, sweet and smooth.
Transforms the most repulsive, and disfigured visage, To a clear and beautiful complexion.

RADWAY'S CHRASSIAN BALM.

Imparts nutriment to the hair,—
Makes it strong, glossy, rich and luxuriant,
Cleanses the scalp from dandruff,—gives action to the bulbs,—
Fastens the hair upon the scalp, and forces it to grow—
Like gumm to a barren soil, it makes it rich and productive.—
To dress the hair, makes it smooth and glossy,—
Strong and beautiful,—
Radway's Circassian Balm is the "ne plus ultra!"

Copy of a Letter from a Patient Sufferer, to the sole Proprietor of "Gout and Rheumatic Pills."

LONGREACH HOUSE, NEAR WHITCHURCH, Hants, October 31, 1846.

SIR,—I am one of the extraordinary effect I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that defied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges. In short, I find they are the only ones that relieve the cough without deranging the stomach or digestive organs.

SIR,—I consider it my duty to inform you that a person of my family was cured of a violent cough by your LOZENGES, after having tried various other remedies, which I have purchased from the out of your County, with a view to procure for the same complaint, but without success. I am happy to say that I have recommended your Lozenges to several friends, who have also derived benefit from them.
I remain, Sir, your obedient servant,
CHARLES WOOD.

CHURCH STREET, Nov. 12, 1846.

SIR,—Having been severely afflicted with a cough for the last eight months, I applied to Mr. Hammond, Chemist of this town, for a box of your LOZENGES, which relieved me of my cough in a few days, and perfectly restored me to health. I am happy to be enabled to recommend your Lozenges to the notice of the public, and am willing that you should make use of this testimonial in any way you please.
