**A SUCCESSFUL BUSINESS MAN**

Every successful business man can give reasons for his prosperity. Most essential to any success is a careful and ceaseless attention to details. Every well conducted office or store in the world finds that simple and effective filing systems are an absolute necessity. No employer will waste his own time or allow waste with his staff by using old fashioned methods. The benefits derived from the time and money-saving system which "Globe-Wernicke's" devices encourage are self-evident. Not a paper can go astray when the "Safeguard" method of this Company is used. And no matter how complicated your filing problem, no matter how peculiar, no matter how small or how large, the "Globe-Wernicke's" can provide you with the equipment that will place every record at your finger tips. Why not investigate? Mr. Percie Johnson represents the "Globe" in Newfoundland.
