

CONSCRIPTION LIBERALS CONFERRED IN HAMILTON

Hon. Frank Carvell Gives Notice of Increased Income Tax, Which Will Place Heavier Burden on Those Able to Bear it

Hamilton, Ont., Nov. 2.—An audience which filled every available foot of space in the hall of the Connaught Hotel, was this evening carried to the highest pitch of enthusiasm for Sir Robert Borden's Union Government by the simple, unvarnished statement of the cause of Union Government by Hon. Frank Carvell, Minister of Public Works, at an open meeting of the conscriptionist Liberals. Mr. Carvell dealt with his subject as if he were having a heart-to-heart talk with a few intimate friends. He told why he had abandoned a leader of many years for Union Government, but, above all, he told of a few things that Union Government has to face and a few things that Union Government intends to do, and if there were any in the hall who did not agree with him at the outset, his entire audience was with him when he closed.

Mr. Carvell gave notice of a substantially heavier income tax, which is to be imposed, he hoped, shortly after the new Parliament first meets. He promised that the rich man would, under this tax, pay a great deal more to the state than ever before, and he declared that the tax will affect men of all incomes, on the principle that all men should contribute to ease the country's tremendous financial burdens.

Abolish Patronage System.
Mr. Carvell also gave notice that while he is head of the Department of Public Works contracts will be

let only by public tender, and to the lowest bidder. He pointed out that, in saying this, he intended no slight on any predecessor in office, but merely to denounce the patronage system, already denounced by Sir Robert Borden. He said also that only necessary public works will be carried on in future.

He stated that no alterations of any consequence whatever are to be made in the tariff, threatened those whom he termed "safety first soldiers," and made an earnest appeal to the people to subscribe to the "Victory Loan."

Prefacing his address with an assurance that he is still the same radical as of old, and excusing himself for what slight change there may have occurred in his opinions by the assertion that war has made such a change in the world that no man would be justified in holding the same ideas he held four years ago, Mr. Carvell took up his reasons for joining the Union Government and told of a few things that the Union Government intends to do in the near future.

"The world," he said, "does not have any idea where it stands today, so economic questions will have to be held in abeyance until the end of the war. We will work that Canada will do her best to bring the war to a successful conclusion and to take care of her soldiers up to the time of demobilization of our forces. When that time is expired our contract ceases."

SNIDER SUFFERED MOST ALL HIS LIFE

Feels Better Since Tanlac Overcame Trouble Than He Had in 35 Years

"I'm feeling better to-day than I have in thirty-five years and it's all due to the good work of Tanlac," said James A. Snider, of 17 Jackson street west, Hamilton, recently. Mr. Snider has the distinction of being one of the fastest coopers in Canada, but was forced by ill-health to give up his trade. He has returned to work, however, and is employed by the Pattersonburg Chamber, I.O.D.E. Mr. Snider is well-known both in Hamilton and vicinity, and, although sixty-nine years of age, he has the appearance of a man many years younger. Continuing his statement, Mr. Snider said:

"A medicine that will make a person my age gain in weight and relieve them of troubles of thirty-five or forty years' standing is certainly wonderful. I had been suffering from a bad stomach nearly all my life. I had no appetite and just had to force myself to eat. At times I felt like there was a hundred-pound weight on my stomach, and I was almost doubled up with misery. Gas would form from what I ate and make my heart flutter, and I often had dreadful smothering spells. I have had the best treatment both in the United States and Canada, and have taken all kinds of medicines. I would feel a little better for a day or so and then feel as bad or worse than ever."

"Tanlac did for me just what others say it has done for them and I want to make this statement because I feel like it may help lots of people who are in the same fix I was. Why, before I took Tanlac I had rheumatism in my knees and the pain was so severe I couldn't straighten up, and now the rheumatism is nearly all gone and I can walk as good as anybody. It has put my stomach in good condition, the gas has stopped forming and I don't have any more of those awful smothering spells. My food agrees with me and I know it is building me up because I have already gained several pounds, and have just finished my second bottle of Tanlac. All the pain is gone now and I want to say again I feel better than I have in thirty-five years. I can't say enough in praise of Tanlac and I'm going to tell everybody I can about the good it has done me."

Tanlac is sold in Brantford by Milton H. Robertson and Co., Ltd., in Paris by Apps Limited, and in Mt. Vernon by A. Yoemans, and in Middleport by William Peddie.

COUNTY ROADS
Work on the county roads system for this year has been practically finished, and County Roads Supt. A. R. McVicar is engaged in making a few scattered minor repairs. Arrangements are being made for the installation of stone crusher at the county gravel pit recently acquired near Bishop's Gate on the Burford road. At the last meeting of the county council, the roads and bridges committee was authorized to secure a gravel crusher, and this has been done, and a saving effected by Reeve A. J. McCann and his fellow members of the committee by renting a crusher in good condition from the Township of South Dumfries. If the weather gods are propitious, about two miles of road will be gravelled on the Burford road before the winter, after which stock piles of crushed stone will be made preparatory to the opening of the work in the spring.

ORANGEMEN INVITED.
Local Orangemen have received invitations to attend a divine service in Paris to-morrow with the Orangemen and Sons of England of that town. The service will be held at half past two.

EDISON PHONOGRAPHS.
The name Edison, and what it stands for, applies to phonographs, they are unquestionably the best. They are sold on reasonable terms of payment and give great satisfaction. H. J. Smith and Co. would consider it a pleasure to show you the Edison line, which they carry complete.

For Others' Greater Needs

POSSIBLY FOR YOUR OWN OR YOUR NEIGHBOR'S SON

The British Red Cross Takes Care of Canadian Soldiers

The noble work of the British Red Cross knows neither race, creed or color. Its quality of mercy is not restrained. But its financial burden has become more than the Motherland can bear. That is why Ontario has been asked to give aid.

A Few Facts about British Red Cross Work.

The British Red Cross Society is the only institution which carries voluntary aid to the Sick and Wounded of the British Forces on land and sea in every region of the War.

Its work is therefore the concern of all classes of British subjects, whether living in the British Isles, in the Dominions and Colonies beyond the seas, or in foreign countries.

Glass of Hot Water Before Breakfast a Splendid Habit

Open sluices of the system each morning and wash away the poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise; splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, lame back, can, instead both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast and it is said to be but a little while until the roses begin to appear in the cheeks. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism is real enthusiast on the subject of internal sanitation. Try it and you are assured that you will look better and feel better in every way shortly.

RED CROSS GRANT.

Recommendation will be made by the Finance Committee to the City Council on Monday night that the city's grant toward the British Red Cross fund be in proportion with last year's grant. This will mean the city will give between \$9,000 and \$10,000 toward the fund this year.

MANY TO JOIN R. F. C.

Applicants for enlistment in the Royal Flying Corps are daily interviewing members of the R.F.C. recruiting board in this city, with headquarters at the police station, and a meeting will be held in the early part of next week when several likely young men will be examined and their qualifications inspected. One meeting was held this week when a number were recommended and furnished with transportation to the headquarters of the unit in Toronto.

AUTOMOBILE OWNERS ATTENTION!!

On and after November 12th, 1917, all repair work, parts, gasoline, oil and supplies of any kind, will be strictly cash.

The rate for all classes of repair work will be charged eighty cents per hour.
