Minard's Lintment Cures Garget in

Especially when we make it plain that no promise is made to cure more than one disease.—Dyspepsia. Tablets are a positive cure for just this one disease.

They are a scientific combination of ingredients which search out the weak spots in all the digestive organ and make them strong and well.

They have an immediate digestive action on undigested food, and thus, while cuting weak organs, they at the same time help them to do their work.

They thus stand for all that is good in the medical treatment of Dyspepsia, and for nothing that is bad.

They are not a fad but a fact.

They are not a fad but a fact.

They are safe, pleasant, certain and permanent, and can be taken by the most delicate invalids without fear of harmful results. A clear conscience needs no filtra-

Strong Manifesto.

Adepts Declaration That There Has Been

a "Complete Desertion of the Ontario

Government On the Temperance Ques-

tion"-Liberal Convention Platform h

Disappointment and All Claim For

Temperance Support Thereby Forfeited.

Toronto, Dec. 3.—The Ontario branch of the Dominion Alliance took action yesterday afternoon in the adoption of a declaration which has been described as representing a

complete desertion of the Ontario

Government on the temperance question." After detailing the various steps taken by Sir Oliver Mowat, Hon. A. S. Hardy and Hon. G. W. Ross towards the alliance platform, and stating the events of the recent Liberal convention in which the com-

Liberal convention in which the com-promise resolution calling for a municipal prohibition vote in 1906 was rejected, the manifeste pro-

"This executive reports that after

careful and serious consideration it is forced to the conclusion that the

rejection by the convention of this resolution dispels all hope that may have been entertained that this ad-ministration would endeavor to re-

We regret also that not only did the Premier, and Hon. Mr. Gibson take no part in supporting this re-

solution, but they acquiesced in its defeat, and the Premier stated to the convention that he was 'delighted with the convention's decision upon

"In view of the promises made, the overwhelming mandate of the electors, and the need for effective mea-

sures to check the evils of intemper ance, this executive views the situ-ation as it now exists with the deep-

Government has trifled with the great temperance question, has been unfaithful to the pledges and promis-

es of its successive premiers, and has

by its record and recent course on this, the most important in provin-cial politics, forfeited all claim to

he support of electors who put tem-

perance principle above partisanship in political affairs.
"Until temperance men determined-

but temperance men determined-ly refuse to support any party or candidate that continues to trifle with or ignore this great question," continues the manifesto, "it is mani-fest these the manifesto,"

fest that no useful advance in tem-perance legislation can be hoped for," and recommends the nomina-tion and election of candidates who

can be relied upon to secure such legislation, and who would be free from party dictation. The manifesto was prepared by a

sub-committee appointed a week ago, consisting of Rev. Drs. Carman, Goodspeed, Bates and Chown, and Messrs. G. F. Marter, Alex. Mills, J. O. McCarthy and F. S. Spence. The executive sat for two hours and a half yesterday, and though much discussion took place, the meeting.

cussion took place, the meeting was fairly unanimous, and the declaration prepared was adopted practically without change.

Dominion Alliance Issues a Attempted to But Could Not Retake 203-Metre Hill.

> Casr's Men Repulsed With Heavy Less Gen. Rennenkampff Reported to Have Driven Japanese Army Out of New Position Southward of Tsinhketchentured Several Jap Guns and 600 Rifles.

Tokio, Dec. 3.-It is reported here that the Russians have attempted to re-take 203-Metre Hill. They assembl-ed a strong force and assaulted the position, but were repulsed with heavy loss.

The Japanese finding sailors among the Russian dead, believe that if the men from the fleet are being employed in making sorties the com-plement of the forces must be falling short.
The fact that the Russians are for-

tifying the positions available be-tween Liaoti and Mantai Mountains, tween Liaoti and Mantai Mountains, increases the belief that they will make their last stand there.

Imperial headquarters makes the announcement that 17 officers have been killed and 64 wounded in the field, but does not mention the place. It is presumed that it was at Port Arthur.

The wounded log of Gen. Nake-

wounded leg of Gen. Nakamura has been amputated.

Drove Japa Out.

St. Petersburg, Dec. 3.—Despatches received from Mukden yesterday say that Gen. Rennenkampff's forces on Nov. 30 drove the Japanese out of a new position southward of Tsinhket-chen, near Da Pass. The fighting was short and sharp. The Japanese burn-ed their supply deposits in three viled their supply deposits in three vil-lages and retreated pursued by Cos-sacks so far as the Teitse River. The Japanese losses were about 50 killed and one hundred wounded. The Cos-sacks destroyed a Japanese telegraph line, and occupied the village of Sui-dun (gbout seven and one-half miles southeast of Tsinhketchen).

Captured Jap Guns and Rifles. St. Petersburg, Dec. 3.—A special despatch received here from Mukden. says: "It is reported that Gen. Rennenkampff has captured several Jap anese guns and a convoy with 600 rifles, but that a force of 40,000, consisting of Chinese bandits and a reserve of 8,000 Japanese has started to turn Rennenkampfi's flank.' The Black Sea Fleet,

London, Dec. 3.—A Sebastopol despatch to The Daily Graphic asserts that Admirals Alexieff and Grand Alexander Michaelovitch (the latter the head of the Russian Mer-cantile Marine), both advocate send-ing out the Black Sea fleet.

In Constantinople, according to a despatch to The Standard, it is taken for granted that both Great Britain and Turkey would resolutely oppose the exit of the Russian Black Sea fleet.

Preparing For the Inevitable.

St. Petersburg, Dec. 3.—With the confirmation of the news that the Japanese have occupied 203 Metre Hill, and the repert that the Rus-sians unsuccessfully attempted its re-capture, officials at the War Office are beginning to prepare themselves for the inevitable. Golden Hill and for the inevitable. Golden Hill and Liaon Hill are higher and dominate 203 Metre Hill, but the officials say that if the Japanese succeed in mounting heavy guns upon the latter mounting neary guins upon the acception it will probably be only a question of days or weeks before the fortress falls. Still there is not the slightest idea among Gem. Stoessel's friends that he will surrender, even if he should be ordered to do so

### Died From Old Knife Wound.

Brantford, Dec. 3.-Edward Dunne, a youth of 20 years, succumbed yes-Our text to-day is the story of the miser terday in the hospital in this city to which he gave him a smaller portion every injuries received one Sunday fast day.

Just as the miser had got him so trained September. On that day Lorne Walley, also of this city, in a fit of indignation, threw an open knife at as to eat one straw a day—the poor ass diel.

He is an ass who starves himself to death indignation, threw an open knife at Dunne. The blade penetrated his back. The wound was not considered serious at the time. Walley admits throwing the knife. He was arrested some days ago, when the victim's condition was known to be serious. The charge was that of felonously wounding, but it now may be changed to manslaughter. Dunne is a son of ex-Ald. Dunne of this city, while Walley comes of a most respectable family. He is an ass who starves himself to death—as thousands are doing, misled by foolish teachers—because their stomachs have become too weak, through neglect or disease, to do the work which nature has p ovided for their stomachs to do.

Because the engine is out of rear, would you consign it to the junk heap?

Why, no! Mead it!

Commit slow suicide because your diges-tive organs leak?
Certainly not! Take Stuart's Dyspepsia
Tablets
One thing is sure as shooting.
You can never get a new stomach.
You must mend it, or it will lead you a
miserable existence. Toronto, Dec. 3.—The man John Steen, who is charged with being implicated in the Dentonia Park robbery, pleaded not guilty before the county magistrate vesterday and was remanded for a week. Steen denies that he had anything to de with the burglary. He claims that he had anything to de with the You must mend it, or it will lead you a miserable existence.

The only way to mend it is to take Stuart's Dyspepsia Tablets.

This has been practically and scientifically de nonstrated by the many thousan's whom Stuart's Dyspepsia Tablets have possitively cured, after every other treatment of medicine, mineral waters, pills, and slow, suicid: starvation had failed.

These methods are all usscientific—therefore false

Stuart's Dyspepsia Tablets are scientific. burglary. He claims that the private detective who gave the information against him is an ex-convict whom he met in the Central Prisen, when they were both doing time.

### No Salary, Me Resigns

therefore false.

Stuart's Dyspepsia Tableis are scientific—therefore true and successful.

Having cured so many thousands—many of whom doubtless have suffered more than you do—do we claim too much when we say that Stuart's Dyspepsia Tablets will surely do good to you?

Surely not.

Especially when we make it plain that no promise is made to cure more than one disease—Dyspepsia. Chicago, Dec. 3.—Edward W. Tatum, for five years president of the International Brotherhood of Bookbinders, has resigned. Mr. Tatum said he was compelled to vacate because no salary was paid him.

Robert Glockling, Secretary of the Provincial Labor Bureau, Toronto, the vice-president, assumes the office of president.

Exit of the Oldest Actress. Chicago, Dec. 3.—Mrs. George Henry Gilbert, the oldest actress on the American stage, died in her rooms at the Sherman House yesterday shortly after she had suffered a stroke of apoplexy. Mrs. Gilbert was born in England 83 years ago and came to this country with her husband, who was a dancer, in 1849.

## Royal Commission Named.

London, Dec. 3.—It was announced yesterday that a Royal Commission will be appointed to inquire into the differences between the Free Church of Scotland and the United Presby-tarian Church.

# Nine Nations

Now Use Liquozone. Won't You Try It-Free?

Millions of people, of nine different nations, are constant users of Liquozone. Some are using it to get well; some to keep well. Some to cure germ diseases; some as a tonic No medicine was ever so widely employed. These users are everywhere; your is that germs are vegetables; and neighbors and friends are among them. And half the people you meet—wherever you are—know some-one whom

For the American rights to Liquozone. We did this after testing the product for two years, through physisians and hospitals, after proving, in thousands of different cases, that Liquozone destroys the cause of any germ disease.

germ disease.

Liquozone has, for more than 20 years, been the constant subject of scientific and chemical research. It is not made by compounding drugs, nor with alcohol. Its virtues are derived with alcohol. Its virtues are derived solely from gas—largely oxygon gas—by a process requiring immense apparatus and 14 days' time. The result is a liquid that does what oxygen does. It is a nerve food and blood food—the

All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indirect and uncertain. Liquozone attacks the germs, wherever they are. And when the germs which cause a disease are destroyed, the disease must end and forever. That is inevitable.

Asthma Absects—Anemia Eronchit's Blood Polson Eright's Disease Dowel Troubles Coughs—Colds Consumption Hay Fever—Influenza Ridrey Diseases La Gripe Leucorrbea Leucorrbea Leucorrbea Haria - Neuralgia Milaria - Peuriora - Guina Fleuris - Guina Gertuli - Sybilla Skin Dipesti - All diseases that begin with fever-all inflame mation-all catarth-all contagious diseases-all their results of impure or poisoned blood. In servous debility Liquozone acts as a vitaliser. Compilability was to drugs can do

These users are everywhere; your neighbors and friends are among them. And half the people you meet—wherever you are—know some-one whom Liquozone has cured.

There lies the great value of Liquozone is deadly to vegetal matter.

There lies the great value of Liquozone. It is the only way known to kill germs in the body without billing the tissue, too. Any drug that kills germs in the body without billing the tissue, too. Any drug that kills germs is a poison, and it cannot be taken internally. Every physician knows that medicine cannot do. Drugs never kill germs. For your own sake, ask about Liquozone; then let us buy you a full-germ Disease.

Germ Diseases.

Liquozone Liquozone, and have coupon. We will then mail you an ortissue, too. Any drug that kills germs is zize bottle, and we will pay the drug-size tourselves for it. This is our free gift, made to convince you; to show you what Liquozone is, and what it can do. In justice to yourself, please, accept it to-day, for it places you under no obligation whatever.

Liquozone costs 50c. and \$1.

**CUT OUT THIS COUPON** for this offer may not appear again. Fill out the blanks and mail it to the Liquid Ozone Co., 458-464 Wabash Ave., Chicago.

Give full address-write plainly.

SEE DATES BELOW. LATE PRINCIPAL CAVEN.

## Will Be a Public Funeral and Lying in

State.

Toronto, Dec. 3.—The funeral of Toronto, Dec. 3.—The funeral of the late Prof. Caven, D.D., will take place on Monday afternoon, and the obsequies will be of a public character. After the private services at the family lesidence, the remains will be conveyed to Knox College, where they will lie in state in Convocation Hall from 12.30 until 2 o'clock. Friends of the late reverend professor, church and collegiate dignitaries and the public generally, will be here privileged to pay their last tribute of respect. The lid of the casket will be closed a few minutes before two e'clock. o'clock.

The funeral is to be a public one, and will be attended by the Mayor and Council, the Knox College board, Torento Presbytery and all the principal public bodies of the city. Torento University and the federated colleges will also have representatives at the obsequies.

A funeral service is to be held at 2 o'clock in Knox College Chapel.
Telegrams of sympathy, letters of condoleace, and resolutions from religious and public bodies are being forwarded to the relatives.

Important G.T.R. Announcement. Montreal, Dec. 3 .- An important circular was issued by Charles M. Hays second vice-president and general manager of the Grand Trunk, yes-terday afternoon. John Bell, K.C., who for more than fifty years has who for more than fifty years has been the trusted legal adviser of the company, has been obliged, owing to ill-health, to request that he be relieved of the active work and responsibilities incident to the position. He will remain as consulting general counsel. W. H. Biggar, K. C., is appointed general solicitor and M. K. Cowan, K.C., is appointed assistant solicitor. sistant solicitor.

Letter to Santa Kills. St. John, N.B., Dec. 3 .- Ada, the 5-year-old daughter of H. R. Colman, grocer, met a pathetic dealeman, grocer, met a pathetic dealeman writing letters to Santa Claus in the morning and putting them in the fire, the children's postal service to the home of the good man. In raising the cover from the stove her dress caught fire, and she was so badly burned that she died

Japanese Myths. Japanese believe in more mythical reatures than any other people on the dobe, civilized or savage. Among these are serpents 800 feet long and large nough to swallow an elephant, foxes with eight legs, monkeys with four ars and Esbes with ten heads attached to one body. They also believe in the existence of a crane which, after it has lived for 600 years, has no need of any
