DROWNED IN THE DON.

Toronto, May 3.—Kenneth Clark Casselman, 13-year-old son of A. C. Casselman, drawing master at Normal school, was drowned in the Don this afternoon. He was playing ball with the boys, and in trying to get the ball from the water fell below his depth, the current carrying him away at once. Efforts by other boys to rescue him failed.

SLIGHT SPRAINS GROW WORSE

Unless promptly treated. The great strength of Nerviline enables it to quickly cure all manner of sprains and strains. "I sprained my wrist," writes Leonard E. Milford, of Rockland, "while working in the mill, but had to lay off, it became so painful and swollen. I rubbed my wrist thoroughly with Nerviline twice a day and put on a bandage. The pain soon went away and frequent rubbing with Nerviline soon cured. Nerviline is undoubtedly an excellent liniment and the best reliever I ever used." Nerviline certainly is extra good. Price 25c.

WINDSOR'S DRY SUNDAY.

Windsor, May 3.—Every bar and place where liquor is sold in Windsor was closed tighter than a drum between seven p. m. Saturday night and Monday morning as a result of an order from the Provincial Government, which was sent to Chief of Police Wills. The hotelkeepers had learned of the intended visit, and all bars were dark. Crowds of Windsor citizens got their drinks in Detroit and Sandwich.

PILLS AND PILLS.

A prolific cause of Piles is the use of cathartics and pills of a drastic, violent nature.

Followed by a reaction on account of the resinous, drying properties they contain.

There are other causes, but no matter what the cause or what the kind of Piles, Dr. Leonard's Hem-Roid can be relied upon to cure—to stay cured.

It's an internal remedy that removes the causes of Itching, Blind, Bleeding or Suppurating Piles.

A guarantee goes with each package containing a month's treatment. It can be obtained for \$1.00 at drug-gists.

Sold by C. B. Gunn & Co., Central Drug Store, Chatham.

CRUSHED TO DEATH.

Ottawa, May 3.—Ambrose Barrett, aged 10 years, of Redpath street, was killed to-day by a lumber pile falling on him in the lumber yard of the W. C. Edwards Company. With a little boy named Charles Harris he was sitting beside the pile, which was slanting, and evidently the upset was caused by snow and frost leaving the ground.

CONSUMPTION IS SCOURGING CANADA.

Year by year the White Plague steadily gains headway, and why? Because careless people let their colds run into catarrh, which in turn becomes consumption. Victims of catarrh needn't be discouraged, for frugal, rest, healing, Catarrhazone permanently cures every type of catarrh. The soothing vapor of Catarrhazone immediately kills the germs that cause catarrh and prevents them from again entering your system. Relief will be quick, cure will be certain, absolute freedom from any trace of catarrh follows the use of Catarrhazone. It is a scientific remedy warranted to cure lung trouble, bronchitis and catarrh. Cure guaranteed with two months' treatment. Price \$1.00; sample size 25c.

It is a good thing to be sufficiently absent minded to forget your troubles.

A WARNING.

To feel tired after exertion is one thing; to feel tired before is another.

Don't say the latter is laziness—it isn't; but it's a sign that the system lacks vitality, is running down, and needs the tonic effect of Hood's Sarsaparilla.

It's a warning, too—and sufferers should begin taking Hood's at once. Buy a bottle to-day.

The average politician gets all the exercise he wants running for office.

SCOURGE OF THE AGE IS KIDNEY DISEASE

Terrible Increase in the Number of Deaths from This Ailment

It is Common to All Classes and Conditions of People

It Creeps Stealthily Into The System And Develops Into Many Diseases

Bright's Disease, Heart Disease, Diabetes, Dropsy and Rheumatism, are Among The Forms It Takes

Dodd's Kidney Pills The One Remedy That Never Fails To Cure It No Matter How or Where It Is Found

Of all the diseases the human body has to combat in its struggle for health, the one that is steadily growing in strength and terror is Kidney Disease. Quietly, stealthily, and insidiously, it creeps on its victim till the latter is enveloped in its folds, and the greatest physician the world has ever known stand helpless before it. As the last fold goes around the struggling victim and the doctor shakes his head and whispers "Bright's Disease," hope fades to nothing, and the sorrowing friends feel that death has marked their loved one for its own.

The alarming increase this terrible disease is making is evidenced by the columns of almost every newspaper. For not among the lowly of the earth alone does it look for its victims. Statesmen, Judges, eminent lawyers, and honored divines are numbered among those who in recent months have gone down to their graves with the marks of this dread disease upon their bodies. In fact, so prevalent has the disease become that a celebrated New York specialist stated recently that not one person in a hundred was free from some taint of Kidney Disease.

WORKS IN SECRET.

It is the secrecy of Kidney Disease that makes it the more dreaded. You can fight an enemy in the open with some chance of success, but if he is lying in wait to take you at an unwary moment your chances of successfully fighting him are terribly diminished. So it is with Kidney Disease. Its first warnings are so faint as to be hardly noticeable, a slight pain in the back that is charged up to over exertion, a slight discoloration of the urine or a burning sensation while urinating that hardly attracts attention. That is all. But that means that Kidney Disease is at work gradually eating its way into your system. The pain in the back grows more severe, the urinary trouble more complicated, swellings under the eyes and of the limbs denote the coming of Dropsy, sharp shooting pains in the joints and muscles tell that Rheumatism has you in its grasp, or perhaps a day or two's illness leads to the calling of the doctor, and suddenly the terrible truth is forced upon you—Bright's Disease has you in its grasp.

WAY OF ESCAPE.

With this silent, relentless enemy slowly but surely eating its way into your system and making that progress by a daily increase in the length of its death list, the demand of the day, of the hour, is "Show us the way of escape." Nature never put mankind in a critical condition without providing a way of escape—providing mankind were wise enough to take the way provided. In this case the way of escape is a simple vegetable remedy. It has been before the people of Canada for thirteen years, and like all the great relievers of nature, has been first received and first appreciated by the lowly in life, those known as the common people of Canada.

Is it the common people of Canada who die of Bright's Disease? No, it is the bright and shining marks, those who are stationed above the heads of the masses. Ask the reason of this. Go to the people who are practically exempt from Kidney Disease in its worst form, and ask them. With almost a single voice they will reply: "We cure our Kidney ailments with Dodd's Kidney Pills, and they never get a chance to develop into that terrible disease that carries so many prominent men into the grave."

ON WITH HIS WORK.

And so it is; the man who does manual labor must heal his slightest aches or they hinder him in his work. When he has backache he cures it with Dodd's Kidney Pills, and goes on with his work; when he feels a twinge of Rheumatism he drives it out of his body with Dodd's Kidney Pills—and goes on with his work. Necessity has taught him that he must cure his Kidneys to get rid of his pains, for he must work to live. He has not been educated to that standpoint where a prescription to cure must be written by a specialist at a cost of dollars to every letter. He may not even know that there never was a disease that took in all classes of the community. He knows that Dodd's Kidney Pills will cure all aches which experience has taught him come from the kidneys. He takes Dodd's Kidney Pills, and goes on with his work.

SOME EXCEPTIONS.

Of course, there were exceptions to every rule. Even among common people there are those who neglect the early warnings of Kidney Disease. It takes exceptions to prove the rule, but many of these exceptions prove more—they prove that no case of Kidney Disease is too far gone for Dodd's Kidney Pills to cure. Bright's Disease, Diabetes, Dropsy, Heart Disease—all the varied forms of Kidney

Disease in its advanced stages—have been met by Dodd's Kidney Pills, and never once has Canada's great Kidney Remedy had to admit defeat. From the Atlantic to the Pacific, and from the Great Lakes to Hudson Bay, Dodd's Kidney Pills are used, and wherever used they have triumphed over Kidney Disease in its every form. Thousands of Canadians are shouting their praises of the conqueror.

Just a few of those who have neglected the early symptoms, reached more advanced stages of Kidney Disease, and found cure in Dodd's Kidney Pills are given below. There are thousands of others. Ask in your own immediate neighborhood. You will not have to go far to meet either warded off or cured the terror of the prospect, by using the old Canadian stand-by—Dodd's Kidney Pills.

BRIGHT'S DISEASE CURED.

Bright's Disease has invariably yielded to a treatment of Dodd's Kidney Pills, no matter how firm a hold it had secured on its victim. Possibly the most talked of case of recent date is that of Alice Maud Parker, of Shubenscadie, Hants Co., N. S. The full story of this case will be found in the current number of Dodd's Magazine. Herewith a short statement from the young lady's mother is appended:

Two doctors pronounced my daughter's illness Bright's Disease, and gave her up to die. Her eyelids swelled till she could hardly see; her legs from her ankles to her knees swelled. Her belt in health in health was 26 inches, when she was at her worst it was 48 inches. Then she gave up another treatment and started to take Dodd's Kidney Pills. By the time she had taken the first box I saw a change. It took a long time to bring her back to perfect health, but Dodd's Kidney Pills did it. To my daughter is in perfect health.

Shubenscadie, Hants Co., N. S.

DIABETES CURED.

Diabetes is another of the most fearful and fatal forms of Kidney Disease that has been cured by Dodd's Kidney Pills, and by no other medicine. Among those cured of this terrible ailment is Mr. Charles Gilchrist, of Port Hope, Chief of Police of that town and afterwards for twenty-two years Fishery Overseer under the Dominion Government. He makes the following statement:

I was a sufferer for ten years with Diabetes as Kidney Disorder. At times my urine was of a dark bricky color, and I would suffer something awful while passing. I tried doctors and medicines, but could get no help till I tried Dodd's Kidney Pills. They have made me a new man. The citizens of Port Hope all know me, and can vouch for the above.

Chas. Gilchrist, Ex-Chief Coast and Fishery Overseer, Port Hope.

HEART DISEASE CURED.

Heart Disease is a result of Kidney Disorder. Bad Kidneys mean impure blood, the action of impure blood in the heart causes Heart Disease. Dodd's Kidney Pills cure it:

I suffered for years with Heart Disease, Bright's Disease and Rheumatism. I was so feeble I was unable to do anything. There were three months I abandoned all medicines, and resolved to let myself die. Then I was led to try Dodd's Kidney Pills, and the good the first box did me surprised me. I have taken twenty boxes in all, am well of my Heart Disease, my Bright's Disease and my Rheumatism.

Dame Louis Provosts, St. Magloire, Que.

DROPSY CURED.

Dropsy, another disease caused by diseased Kidneys failing to do their work and remove the surplus water from the blood, is another ailment Dodd's Kidney Pills always cure. Here is an example:

I was a total wreck before I started to use Dodd's Kidney Pills. In the mornings before I got out of bed I could hardly put my feet to the floor they were so much swollen with dropsy. My arms used to swell at times so that I could not put on my coat. I had to be tapped to be relieved from my terrible pains. On the advice of a friend I started to use Dodd's Kidney Pills. Before I had finished the second box I felt much better. Seven boxes cured me completely. I don't know what it is to be sick since I used Dodd's Kidney Pills.

George Robertson, 292 St. James St., Montreal, Que.

RHEUMATISM CURED.

Rheumatism and kindred Kidney Diseases, such as Lumbago, Sciatica, and Gout, are caused by uric acid in the blood. If the Kidneys are put in working order they strain all the uric acid out of the blood, and the Rheumatism goes with it. Take the case of W. G. Cragg, of Dresden, Ont. Here is his statement:

For eight years I was troubled with inflammatory Rheumatism. I could scarcely get around to do my duties in my store. I had some of the best doctors I could get, but nothing I tried would ever give me relief. I started using Dodd's Kidney Pills and had only taken six boxes when I was completely cured.

W. G. Cragg, Ex-Rieve of Dresden, Ont.

ALL KIDNEY DISEASES CURED.

These are only a few cases taken from thousands to show the efficacy of Dodd's Kidney Pills. In other forms of Kidney trouble, such as Urinary troubles, Gravel, Female Weakness, etc., Dodd's Kidney Pills have the same record. They always cure. As for pain in the back—the first symptom of Kidney trouble—ask your neighbors. You'll find the majority of them look on Pain in the Back as a danger signal, and on its first appearance safeguard themselves against this terrible fatal Kidney Disease by drawing it away with the old Canadian stand-by—Dodd's Kidney Pills.
