## WHAT IS CATARRH?

It is an inflammation of the mucous lining of the throat, bronchial tubes and nasal passages excited by germs that can only be destroyed by fragrant, healing Catarrhones, which is breathed direct to the seat of the disease, and has never yet failed to cure. Pleasant to use, absolutely certain to cure, Catarrhones always gives satisfaction. "I suffered from nasal catarrh so badly that I couldn't breathe through my nostrils," writes G. K. Wilmet, of Meriden. I used Catarrhones for a few minutes and was relieved. It cured in a short time." No other remedy just like Catarrhones—it's the best. Two months' treatment \$1.00; trial size 25 cents.

Oil paint and varnish may be removed by two parts of ammonia shaken up with one part of turpentine. It will soften them so they may easily be scraped off.

Mix plaster of paris with vinegar instead of water and you will find it excellent to stop the cracks in the wall.

If you tack a piece of white oil cloth over your molding board it is almost as good as a marble slab.

## "NOT IF IT COST TEN DOLLARS"

A bottle would I be without Polson's Nervine, writes J. A. Ruth, a farmer living near Trenton, Ont. Nervine is the best household liniment I know. We use it for stomach troubles, indigestion, headache and summer complaint. I know of nothing better to take in hot water to break up a cold, or to rub on for rheumatism or neuralgia. Every farmer should keep a few bottles of Nervine handy and have smaller doctor bills. Large bottles 25c. at druggists.

## A Mechanical Answer.

Magistrate—And what did the prisoner say when you told him that you would have him arrested? Complainant—He answered mechanically, your honor. Magistrate—Explain. Complainant—He hit me on the head with a hammer.

When a man's work compels him to get up at 4 o'clock in the morning, he is in no mood to appreciate the sunrise.

## BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the cure they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.  
Sold by druggists. Price 75c. per bottle.

If it comes at all, it will come because it is deserved, not because it is sought after. And, moreover, there will be no misgivings, no disappointment, no hasty, feverish, exhausting excitement—Longfellow.
