Presentation to Father Hayes

The most enjoyable event of the yule tide was a large Christmas tree by the ladies of St. Joseph's congregation, Newburg for their pastor, Rev. Father Hayes. The tree was erected at the home of Mr. and Mrs. Joseph Cunningham, and costily but useful gifts of all sorts were placed thereon by young and old. The hostess of the party escorted Rev. Father Hayes to the room and it was a most pleasant surprise for him when he learned the tree was for him only. After removing the dainty gifts from the tree he thanked them all most cordially for their kindness as well as their thoughtfulness in remembering him at this joyful time. As the midnight hour approached a delicious lunch was served with tea and coffee after which music and dancing were continued for an hour and the happy crowd returned to their homes wishing their pastor and all a happy New Year and many of them.

A TONIC FOR THE NERVES

The Only Real Nerve Tonic is a Good Supply of Rich, Red Blood

"If people would only attend to their blood, instead of worrying themselves ill," said an eminent nerve specialist, "we doctors would not see our consulting rooms crowded with nervous wrecks. More people suffer from worry than anything else."

The sort of thing which the specialist spoke of is the nervous run-down condition caused by overwork and the many anxieties of to-day. Sufferers find themselves tired, morose, low-spirited and unable to keep their minds on anything. Any sudden noise hurts like a blow. They are full of groundless fears, and do not sleep well at night. Headaches, neuritis and other nerve pains are part of the misery, and it all comes from starved nerves.

Doctoring the nerves with poisonous sedatives is a terrible mistake. The only real nerve tonic is a good supply of rich, red blood. Therefore to cure nervousness and run-down health Dr. Williams' Pink Pills should be taken. These pills actually make new, rich blood, which strengthens the nerves, improves the appetite, gives new strength and spirit, and makes hitherto despondent people bright and cheerful. If you are at all "out of sorts" you should begin curing yourself to-day by taking Dr. Williams' Pink Pills.
