Ottawa Weekly Letter.

A Notable Debate.

OTTAWA, Marob 30th, 1907. Last Theeday's debate in the bave otherwise been guilty of per-House of Commons will remain hie-

investigation into matters affecting the honor of Ministers and members. The Independent Liberal member. for Labelle moved a resolution calling for the appointment of a special ministers against whom charges and ence thereto should divulge them to reflections had been made. Mr.

Bourassa referred to Conservative members whose names have been and also to any Ministers and members who might be implicated in the examine witness on oath or affirma-"wine, women and grait" engges- tion, and to report to the House

tion of Mr. Fowler. GOVERNMENT REFUSES EN-

QUIRY. The motion for an enquiry was

Wilfrid Laurier. Not a single regular Government supporter voted for it. On the other hand every Conservative member, except two who refrained from voting because their names were mentioned, gave their voice for a full investigation and enquiry, as did three Independent Liberals, Mr. Bourassa, Mr. vision. Mr. Borden and bis whole party j ined Mr. Boursess in the request that all charges and reflections affecting the honor of mempeople be cleared up. Sir Wilfrid and his whole following voted againat such investigation.

AN IGNOMINIOUS BACK DOWN.

It should be remembered that from the opening day of the Session until Mr. Fowler gave notice of hie intention to carry the war into Africs, Government supporters lost no opportunity to throw out insinustions and success against certain of their opponents. While carefully avoiding any direct charge which could be taken up and investigated they have been free with imputations suggested by the grossly unfair and apparently malicicus report of acoustic acou

THE RESOLUTION ITSELF. CONSERVATIVES READY FOR Mr. Bourassa's resolution then roceeds. That these statements have be-

some a matter of general comment and aroused public opinion throughout the country, so that an immeliate inquiry is imperative.

That the Prime Minister and his colleagues, being the principal guar. dians of the honor of Parliament. should take the initiative in such an enquiry.

That the Government should berefore ask the House to constitute epecial committee to conduct a strict and impartial inquiry as to whether any minister of the Crown or members of parliament have improperly made use of their positions as such fer their private gain, or

sonal misconduct under such circumtoric in the political annals of the stances or of such a character as to country. That was the day fixed justify the intervention and censure for Mr. Boursses's motion for an of this House. That any charges that may be

preferred against any member of the Government or of the House should be formulated before that committee: and that members of this flouse and committee to enquire into the con- of other persons who have material duct and character of members and or data at their disposal with refer-

that committee. **REJECTED BY 54 MAJORITY.** That such committee have power mentioned in the Insurance inquiry to employ and hear counsel, to send for persone, papers and recorde, to

> during the present session." This was the motion that Mr.

Bourassa offered from his seat on the Government side of the House. It

voted down at the request of Sir leader and party supported to a mas. It is the motion which Sir Wilfrid Laurier and the whole of his regular supportare opposed and defeated. It is the motion which Parliament reiscted by a majority of fifty-four. Io bis argument Mr. Bourassa made some personal allusione which honor of his Cabinet as a whole." be did not obtain from Mr. Fowler. "The First Minister has referred and which were more direct and was practically a straight party dito rumors-rumors around the corviously made in Parliament. We do not quote these words here. He summed up his case in this way. . In regard to the general accusation about 'wine, women and ness to sit as representatives of the graft, 'I claim that if any ministers of the Crown-the truth of which accusation I do not know and speak only of general facts-are connected with wine and women in such a way that has become a matter of public his peace.
