peculiar to such occasions.

His Excellency, the Governor ed in all the gorgeousness of his official ceremonies at the opening consists principally of cotton, food General, was attended by a galaxy Windsor uniform, addressed the of the Parliamentary Session on products frozen beef, automobile of civil and military officials, House in an admirable speech, February 26th, 1920, will long and some machinery. The past clothed in elaborate and brilliant as everyone might expect. He be remembered as a red letter day sengers were landed here shortly raiment. Military and naval referred to the magnificent new in connection with Canada's parofficials arrayed in blue and Parliament Building, the new khaki, and sir knights garbed in home of Canada's Legislators all the brilliance and luxury of He called up memories of fifty their Windsor uniforms stood years and more, outlining and around the throne, while His developing step by step the Excellency announced to the Sena- growth, the hopes, the difficulties tors and Commoners of Canada and the aspirations of the found the reasons why they were sum- ers of united Canada, the Fathers moned to a parliamentary con- of Confederation, and pictured to clave. The brilliancy, and we his hearers in glowing terms might perhaps say, extravagance the wonderful success that had in raiment was not by any means crowned the efforts and had re confined to the civil and military alized the hopes of these nation officials who attended His Excel- builders. Their efforts were relency, but was, in even greater alized and their hopes crowned degree, noticeable among the won- with success in an eminent derful galaxy of ladies who degree, and all this was symbolizgraced the occasion and occupied ed and crystalized in the magseats on the floor of the common nificent architectural edifice which chamber during the opening cere- on that day was occupied for the monies. As previously intimated, first time by Canada's Legislators. the senators occupied for the Then, turning to the time to moment the commons chamber come, looking away into the dim and the members of the House of vista of the future and anticipat-Commons held their initial meet- ing what would be the developing in the temporary senate quar- ment and evolution, as it were, in ters. The commons chamber is the process of government at the quite extensive, and the senators end of fifty years more, would were seated on two rows of chairs, those engaged in the public adone on the right and one on the ministration of Canada's affairs left of the Speaker's chair and the today guard and pass on to their Governor General's throne. Ris- successors a condition of things ing behind them, tier upon tier, that would go on and improve were a multiplicity of chairs pro- and enlarge in proportion to vided for the oc:asion, and these what had taken place for the last were all occupied by ladies, for fifty years? These were th the most part, but there were also hopes and these the aspirations in attendance in certain reserved and ambitions which should perplaces, representatives of the meate the minds and thoughts of church and state in all its varied all public men in Canada. Having degrees and capacities. They concluded this admirable speech were present in their purple, the in English, Sir George surpsised apostolate delagate; the Arch- and enthused his hearers by conbishop of Ottawa and the Vicar- tinuing his address in French General of the diocese, also the In classic French he discoursed for judges of the Supreme Court of a considerable time, announcing be well on the road toward comthe surface. Large quantities of cargo are floating around in the reserved seats, arrayed in their that he had given expression to clined to discuss his future plane, vicinity and much of it is being judges of the Supreme Court of a considerable time, announcing ermine and gold robes, as well as in English. This feature of Sir but it was predicted by those who savlaged. consular representatives, of the George's address aroused the saw him here that he would be are being cared for at the various different nations, resident in the utmost enthusiasm among the different nations, resident in the utmost enthusiasm among the capital. It certainly was a gay, French members on Mr. Speaker's that Ottawa might expect to see him back in harness before the which calls here tomorrow for

The Herald absolutely occupied by invited these members of the Opposition Brother of Dr. McMillan guests, but all galleries were filled to the utmost possible capacity. The ladies occupying seats on the floor of the chamber were, according to the language of etiquette, in full dress, but to an ordinary, unsophisticated mortal the conviction would be borne that it looked a good deal more like half dress. The day was extremely cold, many degrees below zero, and certainly any of those thus arrayed according to the canons of etiquette, who would be obliged in these gar:pents to At The Federal Capital face the exterior atmosphere would to say the least, be most uncomfortable.
