UNIVERSITY WILL OPEN NEXT FAI

First Meeting of Senate Decides Start Classes in September --- Ar Historical Occasion.

(From Tuesday's Bulletin.) The first meeting of the Senar the University of Alberta was he the Odd Fellows' Hall, Strath vesterday, the following memb Justice Stuart, chancellor. C. Rutherford, Minister of Educa Dr. H. M. Tory, president; Jenkins, Dr. W. D. Ferris, Jam J. Hutchings, Hon. Mr. Justi J. J. Gaetz, Dr. Galbraith, Boyd, E. H. Sharpe and Jo Dougall, members of the Ed

Dr. J. H. Riddell, Edmonton, I G Brett, Banff, and G A Ken The meeting Mr Justice Stuart was vo chair. The chancellor invited N. D. Mills, Mayor of Strat. briefly welcomed the members of the Senate to Strat the University centre for the ince. He also assured the Sens ing to make the surroundings with the dignity of the Univers Mr. Harold W. Riley was appe time as the university should an

a registrar. After the formal opening, addre-were made to the Senate by Dr. Ri erford and Dr. Tory, the presiden the University. Dr. Rutherford purchased for the university site cost of \$150,000. He estimated 000. He pointed out that the go granting twenty per cent of the ation Act and also 20 per cen the income from the Education cient for the present to meet the that the government would pro He also called attention to the that the government had taken t itself the responsibility of secur with us

ate that the present governm

liberally disposed toward educ

and ino doubt future legislatures w

university, and that the present versity Act would be amended in

future in such a way as to meet wishes of the Senate in connec with the University. An Historical Occasion. Dr. Tory, president of the uni sity, made a few remarks. He poin ed out that this was an historical casion. The establishment and orga ization of a university is a great w in the beginning of which only a can have the honor of particip He congratulated the Senate upon fact that it was not a work of ganizing a disorganized institution but we are founding a university which will be for the benefit and u ouilding of the Province as a who He congratulated the Senate also up the fact that we have not to deal w eligious strifes and animosities the founding of the university, that as a united Province we are sta ing to bring to pass an institu that will mean much to the develo ment of the life of the commun He stated that while we were free make our own tradition within and past experience of similar institutions as a guide and take from the the best they have to offer. He point ed out that the establishment of university would be the culminati of the educational system of the Prov tional scheme the university wou

similar to that which the high schowould sustain to the elementar schools. As those who pass from the elementary to enter the high school so those who had completed the hig school course with credit would permitted to freely enter the univ Must Conform to Whole System. The university should be arrang n relation to the educational syste passage from one grade to anoth duation is reached. It should be t university's policy to foster the h schools' interests in the broadest an most general way.

He pointed out that three thing

would be necessary to realize the pla that we have before us. First, the me that word interpreted in its broade and best sense. We should aim highest scholastic attainments to found on the continent. Secondly, must have a library commensur with our needs. In this respect we w have the co-operation of the gover ment in the establishment of the pro vincial library, and we hope of t various elements in the which may be benefited by the pre ence of a library. He pointed of that our aim should be to have Alberta a library suited to the sident need, but with a public side it, emphasizing particularly a tree ling library scheme, which might made useful to every teacher, and every school board in the Province To Furnish Library.

Dr. Tory took the occasion also iounce that Dr Rutherford, w had already done so much for the un versity, had agreed to furnish the
