NOTICE!

It has been pointed out to me that the Great War Veterans' Association and very many of the public are extremely desirous that some immediate action should be taken in connection with a public War Memorial. I am further informed that the G. W. V. A. are of the opinion that it is the duty of some private citizen to start things moving without further delay.

It is fully appreciated that the time may be inopportune to raise funds to put up as elaborate a Memorial as all would desire, but it is believed by many that IT IS POSSIBLE TO ERECT A SIMPLE BUT DIGNIFIED MEMORIAL IMMEDIATELY, the design and location of such Memorial to be decided upon.

Provided enough of the public are anxious to see something done right away, I am prepared to take it upon myself to ask His Excellency the Governor and the Memorial Committee for permission to convene a Public Meeting within ten days, the object of such meeting to be to organize immediate action in connection with the erection of a War Memorial. I am authorized to say that such meeting, if called, will have the unqualified approval of the Executive of the G. W. V. A.

IF YOU ARE INTERESTED, SIGN AND MAIL THE FORM IF YOU ARE INTERESTED, SIGN AND MAIL THE FORM BELOW. (It entails no financial obligation.)

P. E. OUTERBRIDGE, P. O. Box 1131, St. John's. I am desirous of having some immediate action taken in connection with a Public War Memorial.
