Circulation Statement. Total Sales for 1921.. 2,591,989

Increase Over 1920 .. 212,739

Thursday, May 18, 1922.

It affords the Telegram much day to publish the reply of the Right Honorable Sir Robert ment has to be altered and made indicated. The rank and file, man and his former experience proved vital nerve to every member of the term, is an application of great it would, eventually, have to be paid to fit more closely. The demand having been intimidated by the valuable at the time. for reduced expenditure and suspension of railway operacorrespondingly reduced taxa- tions, is now about to be asked tion is being received from all to vote for a new deal. parts, of the island. But the Government goes its way un- Question Conheeding and deaf to the just requests of the populace. So calcrease. The people are prepar- gins, M.H.A., an opportunity to ex ed to make sacrifices. They plain their connection with the Act ly with intent to allay the popu- that the 1920 Act was to disable Sir ly with intent to allay the popu-lar demand. As Sir Robert apt-ly puts it, the people "want a to be to business by the Direc-tors here. That is, the Company reduction of Government expenditure in order that taxation may be reduced, that the necessaries of life may become cheaper, that capital may be unfettered, that labor, may find demand, that trade may survive."

Not by any means an impossible or unreasonable demand, and one which can well be met by the Government. Conditions is C. T. L. D. Reld, his friend!

THURSDAY, May 13.

We have just opened a line of nice that taxe a share of the blame that our civil life falls asunder, like a attaches to those men, for, they placed them in their positions of trust; many to speak on the subject of trade have onescented. Then, the bay's sponges, the real and proper baby's sponges, four different sizes, the smallest large enough to be worth while, all good values at 60, 85c. 51.10 and \$1.35 each. We have also our civil life falls asunder, like a statches to those men, for, they placed them in their positions of trust; many to speak of trade have onescented them in their positions of trust; many to speak of trust, and have profited financially by reason of the betrayal of trust. Is not this fruth being revealed to us daily from official sour-ced to retain. Very accommodating where, it may be properly asked, was Sir Richard Squires, when the Legislature was engaged in jockeying Sir W. D. Reld, his friend!

Str. W. D. Reld, his friend!

THURSDAY, May 13.
