The Royal Stores, Limited

Concert and Sociable.

JUVENILE SOCIETY, N.B.S., HAS A SUCCESSFUL EVENING.

Last night in the Synod Hall, a delightful concert and sociable was neld by the Albert Edward Branch, N.B.S. Mr. I. C. Morris occupied the chair, and in his opening remarks paid a fitting tribute to the work of the society in days gone by. The concert was highly successful, the fol-lowing artistes contributed to numbers:-Piano Solo, Miss Jean Bowden; song, Mr. F. Wiley; recits Mr. Bert Colton; spoons and mouth organ, Messrs. Whitten and Harvey; dance. Misses Hammoni and Butler; song, Mr. T. Seymour; dance, Mr. L. Keats; piano solo, A. B. Walk r; Selection, Messrs. Harvey, Whitten and Hammond. The Jazz Band rendered several pleasing selections during the evening, in their own inimitable style. During the interval ice cream and candy was sold, while the teas, which were served by the Ladies' Auxiliary, were great enjoyed. Mr. Charles W. Bowden, President of the Adult Society proposed a vote of thanks to the Chairman and all those who took part, for the excellent evening's programme, which was accorded by acclamation. The atfair was very successful, a goodly sum being realized. The National Anthem brought an enjoyable evening to a close.

Gasoline Tank Explodes.

MOTOR CAR TAKES FIRE.

Yesterday afternoon a Studebaker car, owned by Mr. J. J. Lacey and driven by Robert Sellars caught fire whilst passing along Duckworth St., near the Court House. The chemical truck from the Central Fire Station was called, but before the flames were extinguished, the car was badly damaged. The fire was caused by an explosion of the gasoline tank. The driver is unable to account for the cause of the accident. As far as can be learned there was no insurance on the machine.

St. Bon's Sports Day.

The annual sports at St. Bonaventure's College take place on Wednesday next, June 13th, and the pupils are now hard at work practicing for the different athletic competitions. Yesterday afternoon a class of junior boys doing club exercises on the Campus evoked much favorable comment from a number of spectators. The running and jumping teams were present and it is confidently expected that some new records will be established. Nothing is being left undone to ensure the success of the sports.

West Coast Fishery.

The following reports of the West Coast Codfishery were received by the Board of Trade yesterday from Red Island to Counore. Mr. J. E. Cunningham the sub-collector states that 60 boats are fishing, and the total landed is 600 qtls., with 60 qtls. for the last week. Mr. Cunningham says the fish is being got in deep water, and there is very little doing in shore and the prospects are very poor. Herring are plentiful and many persons, he adds, will give up the fishery altogether if they can procure work at Humbermouth.

Football League Meeting

The Newfoundland Football League is holding a special meeting to-night to discuss the matter of releasing several football players from their last year's teams. Several of last years players are seeking a shift, and while the captains in each case are agreeable, the matter was brought up at last week's meeting and must now be dealt by the League. A full attendance of delegates is expected at to-night's meeting.

Negotiating for Steamers SHIPS TO BE USED IN FISH CAR-

It is reported that local firms are negotiating for the purchase of two steamers of the Adventure type, to he used in the fish carrying trade. It is the intention to have the ships prosecute the sealfishery every spring, and used in the fish carrying and coal trades during the remainder of the

Tourist Ship Coming Here.

According to advices received by the Furness Withy Co., the C.P.R. liner Montreal, with a large number of wealthy people on board, will be calling here during the latter part of August. The Montreal has been engaged to make a one month's trip to soints of interest in Hudson Bay and ne south coast of Labrador. On the return trip the ship will call here, emaining two days.
