## BLAZE IN ST. KITS

Chaplin's Saw Works Destroyed-Loss About \$75,000.

St. Catharines, Nov. 7.-The Chaplin Saw Works were entirely destroy-ed by fire yesterday morning. The Votes. was first discovered about 6 o'clock, but before the firemen could get to work the entire rear portion chinery and stock were entirely destroyed. The loss will be about \$75,-

was in flames, and the building, ma-000, with insurance of \$25,000. OUT.

ALBANY NEWSPAPER BURNED Albany, Nov. 7.—Fire started at 6:30 last night in the candy factory of Kreischer & Co., and soon the immense building running through a block was a mass of flames. Next door on Beaver street was the Press-Knickerbocker Express, the oldest established paper in this section of the state. So rapidly did the flames spread that the employes in the building preparing to get out the election returns for the morning paper had to run for their lives. Not a thing of value was saved, the Associated Press operator at his key having to leave without his typewriter. The flames were confined to the two buildings. The office of the Argus is in the same block, and the Times Times Union, another newspaper, across the narrow street, and it was at first thought that both would suffer. At 8 o'clock both buildings on fire were gutted and the loss is entire. The Press-Knickerbocker Express at once started to find means to issue its paper, and every Albany paper lent assistance. Mr. McCarthy, the proprietor, accepted the offer of the Al-bany Argus. The loss to the Press-Knickerbocker Express is \$60,000; in-surance, \$30,000. The other losses will average \$75,000, with insurance of

the United States.

Decisive Victory for the Re-

came evident at a very early hour this evening that the election of McKinley and Roosevelt was assured. At 8:30 o'clock returns from nearly two-thirds of the election districts of Greater New York had been received, indicating beyond question that Bryan and Stevenson could not expect more than 25,000 or 30,000 plurality in the Democratic stronghold. Later on it was shown unmistakably that the State of New York had declared for the Republican ticket, although by a greatly

reduced majority. ity of 1896 was greatly reduced, but it

ITIES. The whole story was easily and briefly told. The Republican ticket would have a larger electoral vote than that of four years ago, but in the larger states of the east and middle west, the pluralities had been greatly re-000 to 150,000, and Illinois from 142,ates at this hour is as follows: McKinley. MCKINLEY CONGRATULATED.

President McKinley received the

election returns at his home at Can-

including many ladies, who came as the guests of Mrs. McKinley. Direct

wires connected the house with the Re-

and with the home of Gov. Roosevelt
